If, after the delivery of such replacement Series 2008-A Note or payment of a destroyed, lost or stolen Series 2008-A Note pursuant to the proviso to the preceding sentence, a protected purchaser of the original Series 2008-A Note in lieu of which such replacement Series 2008-A Note was issued presents for payment such original Note, the Issuer and the Trustee shall be entitled to recover such replacement Series 2008-A Note (or such payment) from the Person to whom it was delivered or any Person taking such replacement Series 2008-A Note from such Person to whom such replacement Series 2008-A Note was delivered or any assignee of such Person, except a protected purchaser and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Trustee in connection therewith.

In connection with the issuance of any replacement Series 2008-A Note under this Section 2.6, the Issuer or the Note Registrar may require the payment by the Holder of such Series 2008-A Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the reasonable fees and expenses of the Trustee or the Note Registrar) connected therewith.

Any replacement Series 2008-A Note issued pursuant to this Section in replacement of any mutilated, destroyed, lost or stolen Series 2008-A Note shall constitute complete and indefeasible evidence of a debt of the Issuer, as if originally issued, whether or not the destroyed, lost or stolen Series 2008-A Note shall be found at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Series 2008-A Notes duly issued hereunder.

#### Section 2.8. Appointment of Paying Agent

The Paying Agent shall make distributions to the Funding Agents on behalf of the applicable Noteholders and to the Non-Conduit Committed Purchasers as Noteholders from the Collection Account pursuant to the provisions of this Indenture and the Note Purchase Agreement and shall report the amounts of such distributions to the Issuer. Any Paying Agent shall have the revocable power to withdraw funds from the Collection Account for the purpose of making the distributions referred to above. The Issuer may revoke such power and remove the

Paying Agent if the Issuer determines in its sole discretion that the Paying Agent shall have failed to perform its obligations under this Indenture in any material respect. The Issuer reserves the right at any time to vary or terminate the appointment of a Paying Agent for the Series 2008-A Notes, and to appoint additional or other Paying Agents, provided that it will at all times maintain the Trustee as a Paying Agent. In the event that any Paying Agent shall resign, the Issuer may appoint a successor to act as Paying Agent. Any reference in this Indenture to the Paying Agent shall include any co-paying agent unless the context requires otherwise.

Section 2.9. Cancellation.

All Series 2008-A Notes surrendered for payment, registration of transfer, exchange or redemption shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Issuer may at any time deliver to the Trustee for cancellation any Series 2008-A Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any lawful manner whatsoever, and all Series 2008-A Notes so delivered shall be promptly cancelled by the Trustee. No Series 2008-A Notes shall be authenticated in lieu of or in exchange for any Series 2008-A Notes cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Series 2008-A Notes held by the Trustee shall be destroyed unless the Issuer shall direct by a timely order that they be returned to it.

Section 2.10. Confidentiality. The Trustee and the Collateral Agent hereby agree not to disclose to any Person any of the names or addresses of the Obligor under any of the Pledged Loans or other information contained in the Series 2008-A Loan Schedule or the data transmitted to the Trustee or the Collateral Agent hereunder, except (i) as may be required by law, rule, regulation or order applicable to it or in response to any subpoena or other valid legal process, (ii) as may be necessary in connection with any request of any federal or state regulatory authority having jurisdiction over it or the National Association of Insurance Commissioners, (iii) in connection with the performance of its duties hereunder, (iv) to a Successor Servicer appointed pursuant to Section 12.2, (v) in enforcing the rights of Noteholders and (vi) as requested by any Person in connection with the financing statements filed pursuant to this Indenture. The Trustee and the Collateral Agent hereby agree to take such measures as shall be reasonably requested by the Issuer of it to protect and maintain the security and confidentiality of such information. The Trustee and the Collateral Agent shall use reasonable efforts to provide the Issuer with written notice five days prior to any disclosure pursuant to this Section 2.10.

Section 2.11. 144A Information. The Issuer agrees to furnish to the Trustee, for delivery to each Noteholder or any prospective transferee of a Series 2008-A Note at such Noteholder's (or transferee's) request, all information with respect to the Issuer, the Depositor, the Sellers, any Approved Seller, the Performance Guarantor or the Servicer, the Pledged Loans or the Series 2008-A Notes required pursuant to Rule 144A promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended, to enable such Noteholder to effect resales of the Series 2008-A Notes (or interests therein) pursuant to such rule.

Section 2.12. Authorized Amount; Conditions to Initial Issuance (a) The Series 2008-A Notes were issued on the Closing Date in a maximum principal amount of \$942,500,000. The maximum principal amount of the Series 2008-A Notes was reduced on the First Amended

The Notes Principal Amount may be increased from time to time as provided in Section 2.17 of this Indenture and the terms of the Note Purchase Agreement; provided, however, that the Series 2008-A Notes Principal Amount shall at no time exceed the then effective Facility Limit and the outstanding principal amount of the Series 2008-A Note held by any single Purchaser Group or any single Non-Conduit Committed Purchaser shall not exceed the then-effective Purchaser Commitment Amount for such Purchaser Group or Non-Conduit Committed Purchaser.

(b) The following were conditions to the initial funding of the Series 2008-A Notes on the Initial Advance Date:

- (i) The Issuer shall have entered into and Granted to the Trustee the Hedge Agreement with terms described in Section 4.7;
- (ii) The premium due for the Hedge Agreement as of the Initial Advance Date shall have been paid as of the Initial Advance Date; and
- (iii) Any additional conditions set forth in Section 2.2 or Section 3.3 of the Note Purchase Agreement shall have been satisfied.

Section 2.13. Principal, Interest and NPA Costs. (a) Principal. (i) The Series 2008-A Notes shall mature and be fully due and payable on the Maturity Date.

(ii) The Series 2008-A Notes shall be subject to mandatory redemption in whole by the Issuer on the Mandatory Redemption Date and the entire principal amount of the Series 2008-A Notes shall be due and payable on such Mandatory Redemption Date unless such redemption is waived in writing prior to the Mandatory Redemption Date by the Holders of 100% of the Series 2008-A Notes which would be outstanding on such Mandatory Redemption Date.

(iii) To the extent of Available Funds distributed as provided in provision SIXTH, EIGHTH or NINTH of Section 4.1 on any Payment Date, principal of the Series 2008-A Notes will be subject to mandatory prepayment on such Payment Date in the amount of the Monthly Principal and the Green Loan Deficiency Principal Distribution Amount, if any. Series 2008-A Notes will also be subject to prepayment on the date designated under the terms of Section 2.19. All payments of principal on the Series 2008-A Notes shall be made pro rata based on the outstanding principal amount of the Series 2008-A Notes. All outstanding principal of the Series 2008-A Notes (unless sooner paid) will be due and payable on the Maturity Date.

(b) Interest. Interest on each Series 2008-A Note shall be due and payable on each Payment Date in the amount of the Notes Interest calculated for that Series 2008-A Note for that Payment Date. On the Determination Date prior to each Payment Date, the Deal Agent shall provide written notice to the Issuer, the Servicer and the Trustee of the aggregate amount of Notes Interest to be paid on such Payment Date on all Series 2008-A Notes and the components used in calculating the Notes Interest, including the amount of Carrying Costs and Purchaser Fees for each Purchaser Group and each Non-Conduit Committed Purchaser for such Payment Date.

(c) NPA Costs. NPA Costs shall be due and payable to each Funding Agent and each Non-Conduit Committed Purchaser on each Payment Date. Section 2.14. Nonrecourse to the Issuer. The Series 2008-A Notes are limited obligations of the Issuer payable only from and to the extent of the Collateral. The Holders of the Series 2008-A Notes shall have recourse to the Issuer only to the extent of the Collateral, and to the extent such Collateral is not sufficient to pay the Series 2008-A Notes and the Notes Interest thereon in full and all other obligations of the Issuer under this Indenture and the other Facility Documents, the Holders of the Series 2008-A Notes and holders of other obligations payable from the Collateral shall have no rights in any other assets which the Issuer may have including, but not limited to any assets of the Issuer which may be Granted to secure other obligations. To the extent any Noteholder is deemed to have any interest in any assets of the Issuer which assets have been Granted to secure other obligations, such Noteholder agrees that its interest in those assets is subordinated to claims or rights of such other debtholders with respect to those assets. Such Noteholders further agree that such agreement constitutes a subordination agreement for purposes of Section 510(a) of the Bankruptcy Code.

Section 2.15. Dating of the Series 2008-A Notes

Each Series 2008-A Note authenticated and delivered by the Trustee or the Authentication Agent to or upon Issuer Order on or before the Closing Date shall be dated as of the Closing Date. All other Series 2008-A Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Section 2.16. Payment on the Series 2008-A Notes: Withholding Tax

(a) The Trustee shall pay all amounts paid to or deposited with it for payment (x) to any Purchaser Group to the account or accounts so specified by the related Funding Agent and (y) to any Non-Conduit Committed Purchaser to the account or accounts so specified by such Non-Conduit Committed Purchaser; provided that such account or accounts for each Purchaser Group or each Non-Conduit Committed Purchaser on the Second Amendment Effective Date shall be deemed to be those indicated under "Account for Payment" under each Purchaser's signature to the Note Purchase Agreement (a copy of which shall be provided to the Trustee).

(b) As a condition to the payment of principal of and interest on any Series 2008-A Note without the imposition of U. S. withholding tax, the Issuer shall require compliance with Section 4.3(c) of the Note Purchase Agreement.

Section 2.17. Increases in Notes Principal Amount. The Noteholders agree by acceptance of the Series 2008-A Notes that, on any Payment Date (or, following the Advance Decrease Date, on any date), the Issuer may from time to time by irrevocable written notice substantially in the form attached to the Note Purchase Agreement given to the Deal Agent, the Trustee and the Servicer and subject to the terms and conditions of the Note Purchase Agreement, request that the Noteholders fund an Increase in the aggregate amount specified in the notice and on the date specified in the notice. If the terms and conditions to the Increase set forth in the Note Purchase Agreement are satisfied or waived, then such Increase shall be funded in accordance with the Note Purchase Agreement.

Section 2.18. Reduction of the Facility Limit. In accordance with the Note Purchase Agreement, the Issuer may, upon at least five Business Days' written notice to the Deal Agent reduce, in part, the Facility Limit to (but not below) the Notes Principal Amount. Any such reduction in the Facility Limit shall be in an amount not less than \$20 million and in increments of \$1 million in excess thereof and shall be applied to reduce the Purchaser Commitment Amount of each Purchaser Group and each Non-Conduit Committed Purchaser on a pro rata basis pursuant to the terms of the Note Purchase Agreement.

Section 2.19. Optional Repayment. (a) The Issuer may prepay the Series 2008-A Notes on any day, in whole or in part, on ten (10) days' prior written notice to the Deal Agent (or such lesser notice period as shall be acceptable to the Deal Agent) (such notice, a "Prepayment Notice") in accordance with Section 2.3 of the Note Purchase Agreement, provided that (i) the Notes Principal Amount prepaid is at least \$10,000,000 (unless a lesser amount is agreed to by the Deal Agent) and (ii) the Issuer pays to the Deal Agent, for distribution to the Funding Agents and the Non-Conduit Committed Purchasers, on the date of prepayment, the amounts set forth on the Note Purchase Agreement.

(b) The applicable Prepayment Notice shall state (i) the principal amount of the Series 2008-A Notes to be paid and (ii) the aggregate Loan Balance of the Pledged Loans to be released under Section 5.4 at the time of the prepayment of the Series 2008-A Notes, with aggregate Loan Balances in an amount such that, after giving effect to such release, the Borrowing Base shall not exceed the Notes Principal Amount calculated immediately after the prepayment of the Series 2008-A Notes. Reference is made to Section 5.4 for the conditions to and procedure for the release of the Pledged Loans and the related Pledged Assets in connection with any such prepayment.

(c) Upon prepayment of the Series 2008-A Notes in accordance with subsection (a), the Issuer shall modify the existing Hedge Agreement in accordance with Section 4.7 such that the notional amount shall at least equal to the Notes Principal Amount after the prepayment of the Series 2008-A Notes.

Section 2.20. Transfer Restrictions.

(a) The Series 2008-A Notes have not been registered under the Securities Act or any state securities law. Neither the Issuer nor the Trustee nor any other Person is obligated to register the Series 2008-A Notes under the Securities Act or any other securities or "Blue Sky"

laws or to take any other action not otherwise required under this Indenture to permit the transfer of the Series 2008-A Notes without registration.

(b) No transfer of the Series 2008-A Notes or any interest therein (including without limitation by pledge or hypothecation) shall be made except in compliance with the restrictions on transfer set forth in this Section 2.20 (including the applicable legend to be set forth on the face of the Series 2008-A Notes as provided in Exhibit B), in a transaction exempt from the registration requirements of the Securities Act and applicable state securities or "Blue Sky" laws (i) to a person who the transferor reasonably believes is a "qualified institutional buyer" within the meaning thereof in Rule 144A (a "QIB") and (B) that is aware that the resale or other transfer is being made in reliance on Rule 144A.

(c) Each Holder of the Note, by its acceptance thereof, will be deemed to have acknowledged, represented to and agreed with the Issuer and, in the case of any transferee of a Purchaser, such Purchaser as follows:

(i) It understands that the Series 2008-A Notes may be offered and may be resold by a Noteholder of the Series 2008-A Note only to QIBs pursuant to Rule 144A.

(ii) It understands that the Series 2008-A Notes have not been and will not be registered under the Securities Act or any state or other applicable securities law and that the Series 2008-A Notes, or any interest or participation therein, may not be offered, sold, pledged or otherwise transferred unless registered pursuant to, or exempt from registration under, the Securities Act and any other applicable securities law.

(iii) It acknowledges that none of the Issuer or any Purchaser or any person representing the Issuer or a Noteholder has made any representation to it with respect to the Issuer or the offering or sale of any Series 2008-A Notes. It has had access to such financial and other information concerning the Issuer, the Series 2008-A Notes and the source of payment for the Series 2008-A Notes as it has deemed necessary in connection with its decision to purchase the Series 2008-A Notes.

(iv) It is purchasing the Series 2008-A Notes for its own account, or for one or more investor accounts for which it is acting as fiduciary or agent, in each case for investment, and not with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act, subject to any requirements of law that the disposition of its property or the property of such investor account or accounts be at all times within its or their control and subject to its or their ability to resell such Series 2008-A Notes, or any interest or participation therein, as described herein, in this Indenture and in the Note Purchase Agreement.

(v) It acknowledges that the Issuer, the Noteholders and others will rely on the truth and accuracy of the foregoing acknowledgments,

representations and agreements, and agrees that if any of the foregoing acknowledgments, representations and agreements deemed to have been made by it are no longer accurate, it shall promptly notify the Issuer.

(vi) It is not and is not acquiring the Series 2008-A Notes by or on behalf of, or with “plan assets” of, (i) an employee benefit plan (as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), whether or not subject to Title I of ERISA, (ii) a plan described in Section 4975(e)(1) of the Internal Revenue Code of 1986, as amended (the “Code”); (iii) an entity whose underlying assets include “plan assets” by reason of a Plan’s investment in the Purchaser; or (iv) a person who is otherwise a “benefit plan investor,” as defined in U.S. Department of Labor (“DOL”) Regulation Section 2510.3-101 (a “Benefit Plan Investor”), including any insurance company general account or a governmental or foreign plan that is generally not subject to ERISA or Section 4975(e) of the Code.

(vii) With respect to any foreign purchaser claiming an exemption from United States income or withholding tax, that it has delivered to the Trustee a true and complete Form W-8 BEN or Form W-8ECI, indicating such exemption or any successor or other forms and documentation as may be sufficient under the applicable regulations for claiming such exemption.

Except as provided in subsection (d) below, any transfer, resale, pledge or other transfer of the Series 2008-A Notes contrary to the restrictions set forth above and in this Indenture shall be deemed void ab initio by the Trustee unless using such restriction is waived by the Issuer by a written instrument delivered to the Trustee.

(d) Notwithstanding anything to the contrary herein, each Conduit under the terms of its Liquidity Agreement or the Note Purchase Agreement, may at any time sell or grant to one or more Liquidity Providers party to the Liquidity Agreement or one or more Alternate Investors party to the Note Purchase Agreement, participating interests or security interests in the Series 2008-A Notes provided that each Liquidity Provider or Alternate Investor shall, by any such purchase be deemed to have acknowledged and agreed to the provisions of Section 2.20(c).

Section 2.21. Tax Treatment. The Issuer has structured this Indenture and the Series 2008-A Notes with the intention that the Series 2008-A Notes will qualify under applicable tax law as indebtedness of the Issuer, and the Issuer and each Noteholder by acceptance of its Series 2008-A Note agree to treat the Series 2008-A Notes (or beneficial interest therein) as indebtedness for purposes of federal, state and local income or franchise taxes or any other tax imposed on or measured by income.

Section 2.22. Liquidity Termination Dates. (a) If a Liquidity Termination Date occurs with respect to less than all Noteholders, then the Issuer, the Servicer, the Trustee and the Collateral Agent shall enter into an indenture and servicing agreement substantially in the form of Exhibit D, together with any changes mutually acceptable to such parties and the Extending

Noteholders (each such indenture and servicing agreement, an “Exchange Notes Indenture”). The Issuer shall issue to each Extending Noteholder on the Payment Date immediately succeeding such Liquidity Termination Date an Exchange Note in a principal amount equal to the principal amount of such Extending Noteholder’s Series 2008-A Note (or, in the case of any Extending Noteholder which is extending its Liquidity Termination Date for an amount that is less than its entire Purchaser Commitment Amount, the Extended Portion with respect to such Extending Noteholder); provided, however, that if, upon the issuance of the Exchange Notes, the initial aggregate outstanding principal amount of the Exchanges Notes would not be at least equal to \$20,000,000, then the Issuer shall not issue any Exchange Notes and no Liquidity Termination Date with respect to any Noteholder shall be extended; provided further, however, that if, upon the issuance of the Exchange Notes, the Notes Principal Amount for the Series 2008-A Notes would not be at least \$20,000,000, then the Issuer shall prepay the entire Notes Principal Amount pursuant to Section 2.19 immediately following the issuance of the Exchange Notes.

(b) Each Noteholder, by its acceptance of a Series 2008-A Note, hereby agrees that if it becomes an Extending Noteholder and the Liquidity Termination Date occurs with respect to any Noteholder, it will surrender its Series 2008-A Note to the Issuer in return for an Exchange Note in an equal principal amount (or, in the case of any Extending Noteholder which is extending its Liquidity Termination Date for an amount that is less than its entire Purchaser Commitment Amount, the Extended Portion with respect to such Extending Noteholder) on the Payment Date immediately succeeding the Liquidity Termination Date with respect to other Noteholder. Upon such exchange the Series 2008-A Notes surrendered shall be deemed to be fully paid and the Trustee shall cancel such Series 2008-A Notes.

(c) In connection with the execution by the Issuer of an Exchange Notes Indenture on the Payment Date immediately succeeding any Liquidity Termination Date, Pledged Loans with aggregate Loan Balances not less than the product of (i) the Extending Noteholders’ Percentage with respect to such Liquidity Termination Date and (ii) the Aggregate Loan Balance on such Payment Date shall be released from the Lien of this Indenture pursuant to Section 5.5 and Granted as security for the Exchange Notes issued pursuant to such Exchange Notes Indenture.

(d) In connection with the issuance of any Exchange Notes on the Payment Date immediately succeeding a Liquidity Termination Date, the Issuer, the Servicer, the Depositor, the Performance Guarantor, each Extending Purchaser with respect to such Liquidity Termination Date and the Deal Agent shall enter into a note purchase agreement with respect to the Exchange Notes, substantially in the form of Exhibit F, together with any changes mutually acceptable to such parties.

### ARTICLE III

#### REPRESENTATIONS AND WARRANTIES OF THE ISSUER

Section 3.1. Representations and Warranties Regarding the Issuer. The Issuer hereby represents and warrants to the Trustee, the Collateral Agent and the Noteholders on the Closing Date, on the Second Amendment Effective Date, on any Addition Date, on any date of an increase in the Facility Limit and on any Notes Increase Date as follows:

(a) Due Formation and Good Standing. The Issuer is duly qualified to do business and is in good standing as a foreign entity, and has obtained all necessary licenses and approvals in each jurisdiction in which failure to qualify or to obtain such licenses and approvals would render any Pledged Loan unenforceable by the Issuer or would otherwise have a Material Adverse Effect with respect to the Issuer.

(b) Due Authorization and No Conflict. The execution, delivery and performance by the Issuer of each of the Facility Documents to which it is a party, and the consummation by the Issuer of each of the transactions contemplated hereby and thereby, including without limitation the acquisition of the Pledged Loans under the Depositor Purchase Agreement and the making of the Grants contemplated hereunder, have in all cases been duly authorized by the Issuer by all necessary action, do not contravene (i) the Issuer's certificate of formation or the LLC Agreement, (ii) any existing law, rule or regulation applicable to the Issuer, (iii) any contractual restriction contained in any material indenture, loan or credit agreement, lease, mortgage, deed of trust, security agreement, bond, note, or other material agreement or instrument binding on or affecting the Issuer or its property or (iv) any order, writ, judgment, award, injunction or decree binding on or affecting the Issuer or its property (except in the case of clause (ii) where such contravention would not have a Material Adverse Effect with respect to the Issuer), and do not result in or require the creation of any Lien upon or with respect to any of its properties (except as provided in such Facility Documents); and no transaction contemplated hereby requires compliance with any bulk sales act or similar law. Each of the other Facility Documents to which the Issuer is a party have been duly executed and delivered by the Issuer.

(c) Governmental and Other Consents. All approvals, authorizations, consents, orders of any court or governmental agency or body required in connection with the execution and delivery by the Issuer of any of the Facility Documents to which the Issuer is a party, the issuance of the Series 2008-A Notes consummation by the Issuer of the transactions contemplated hereby or thereby, the performance by the Issuer of and the compliance by the Issuer with the terms hereof or thereof, have been obtained, except where the failure so to do would not have a Material Adverse Effect with respect to the Issuer.

(d) Enforceability of Facility Documents. Each of the Facility Documents to which the Issuer is a party has been duly and validly executed and delivered by the Issuer and constitutes the legal, valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its respective terms, except as enforceability may be subject to or limited by Debtor Relief Laws or by general principles of equity (whether considered in a suit at law or in equity).

(e) No Litigation. There are no proceedings or investigations pending or, to the best knowledge of the Issuer, threatened, against the Issuer before any court, regulatory body, administrative agency, or other tribunal or governmental instrumentality (i) asserting the invalidity of this Indenture or any of the other Facility Documents, (ii) seeking to prevent the consummation of any of the transactions contemplated by this Indenture or any of the other

Facility Documents, (iii) seeking any determination or ruling that would adversely affect the performance by the Issuer of its obligations under this Indenture or any of the other Facility Documents to which the Issuer is a party, (iv) seeking any determination or ruling that would adversely affect the validity or enforceability of this Indenture or any of the other Facility Documents or (v) seeking any determination or ruling which would be reasonably likely to have a Material Adverse Effect with respect to the Issuer.

(f) Use of Proceeds. All proceeds of the issuance of the Series 2008-A Notes shall be used by the Issuer to acquire Loans from the Depositor under the Depositor Purchase Agreement, to pay costs related to the issuance of the Series 2008-A Notes or to otherwise fund costs and expenses permitted to be paid under the terms of the Facility Documents.

(g) Governmental Regulations. The Issuer is not an “investment company” registered or required to be registered under the Investment Company Act.

(h) Margin Regulations. The Issuer is not engaged, principally or as one of its important activities, in the business of extending credit for the purpose of “purchasing” or “carrying” any “margin stock” (as each of the quoted terms is defined or used in any of Regulations T, U or X of the Board of Governors of the Federal Reserve System, as in effect from time to time). No part of the proceeds of any of the Series 2008-A Notes has been used for so purchasing or carrying margin stock or for any purpose which violates, or which would be inconsistent with, the provisions of any of Regulations T, U or X of the Board of Governors of the Federal Reserve System, as in effect from time to time.

(i) Location and Names of Issuer. The Issuer was formed on April 21, 2008 as a limited liability company under the laws of the State of Delaware by filing a Certificate of Formation with the name of Sierra Timeshare 2008-3 Receivables Funding, LLC and has at all times since such date remained as a Delaware limited liability company. A Certificate of Amendment was filed on September 30, 2008 to change the name of the Issuer to Sierra Timeshare Conduit Receivables Funding II, LLC. Since such Certificate of Amendment was filed, the Issuer has not had any legal name other than Sierra Timeshare Conduit Receivables Funding II, LLC. The Issuer has no trade names, fictitious names, assumed names or “doing business as” names, and has not had any such names or had any other legal name, other than as described in this Section 3.1(i), at any time since its formation. As of the Second Amendment Effective Date, the principal place of business and chief executive office of the Issuer is located at 10750 West Charleston Blvd., Suite 130, Mailstop 2064, Las Vegas, NV 89135. As of the Second Amendment Effective Date, the Issuer does not operate its business or maintain the Records at any other locations.

(j) Control Account. The Issuer has filed or has caused to be filed a standing delivery order with the United States Postal Service authorizing the Control Account Bank to receive mail delivered to the related Post Office Boxes. The account number of the Control Account, together with the names, addresses, ABA numbers and names of contact persons of the Control Account Bank maintaining such Control Account and the related Post Office Boxes, are specified in Exhibit E. From and after the Closing Date, the Trustee shall hold all right and title to and interest in all of the monies, checks, instruments, depository transfers or automated clearing house electronic transfers and other items of payment and their proceeds and all monies

and earnings, if any, thereon in the Control Account. The Trustee has control over the Control Account and the Control Account Bank is required on each Business Day to transfer all collected and available balances in the Control Account to the Collection Account held by the Trustee.

(k) Subsidiaries. Other than through its ownership of the limited liability company interests of STCRF, the Issuer has no Subsidiaries and does not own or hold, directly or indirectly, any capital stock or equity security of, or any equity interest in, any Person, other than Permitted Investments.

(l) Facility Documents. The Depositor Purchase Agreement is the only agreement pursuant to which the Issuer purchases the Pledged Loans and the related Pledged Assets. The Issuer has furnished to the Trustee and the Collateral Agent, true, correct and complete copies of each Facility Document to which the Issuer is a party, each of which is in full force and effect. Neither the Issuer nor any Affiliate thereof is in default of any of its obligations thereunder in any material respect. Upon each Purchase pursuant to the Depositor Purchase Agreement, the Issuer shall be the lawful owner of, and have good title to, each Pledged Loan and all related Pledged Assets, free and clear of any Liens (other than the Lien of this Indenture and any Permitted Encumbrances on the related Timeshare Properties), or shall have a first-priority perfected security interest therein. All such Pledged Loans and other related Pledged Assets are purchased without recourse to the Depositor except as described in the Depositor Purchase Agreement. The Purchase by the Issuer under the Depositor Purchase Agreement constitutes either a sale or first-priority perfected security interest, enforceable against creditors of the Depositor.

(m) Business. Since its formation, the Issuer has conducted no business other than the execution, delivery and performance of the Facility Documents contemplated hereby, the Purchase of Loans thereunder, the issuance and payment of Series 2008-A Notes and such other activities as are incidental to the foregoing. The Issuer has incurred no Debt except that expressly incurred hereunder, under the other Facility Documents, and, if applicable, under any Exchange Note Indenture.

Section 5.5. Release Upon Issuance of Exchange Notes. (a) If the Issuer is required to issue any Exchange Notes on the Payment Date immediately succeeding a Liquidity Termination Date, the Issuer shall notify the Trustee and the Collateral Agent in writing of the aggregate principal amount of the Series 2008-A Notes held by Extending Noteholders to be canceled on such Payment Date. The Loans selected to be released from the Lien of this Indenture pursuant to this Section 5.5(b) shall be such that the collateral for the Exchange Notes and the Collateral shall each conform to the criteria set forth in Exhibit H as of the date of the issuance of such Exchange Notes. Such independent auditor shall provide to the Collateral Agent, the Trustee and the Servicer a list of the Pledged Loans which are selected to be released, shall direct the Collateral Agent to release such Loans, and shall direct the Servicer to delete such Loans from the Series 2008-A Loan Schedule.

(d) Upon each release of a Pledged Loan under this Section 5.5, the Collateral Agent and the Trustee shall automatically and without further action release, sell, transfer, assign, set over and otherwise convey to the Issuer, without recourse, representation or warranty, all of the Collateral Agent's and Trustee's right, title and interest in and to such Pledged Loan and the Pledged Assets related thereto, all monies due or to become due with respect thereto and all Collections with respect thereto from and including the last day of the Due Period immediately preceding such date of release free and clear of the Lien of this Indenture. The Collateral Agent and the Trustee shall execute and deliver such instruments of assignment, in each case without recourse, representation or warranty, as directed by the Issuer to release the security interest of the Collateral Agent in the Collateral.

Section 5.7. Release of Green Loans Upon Rating Downgrade. (a) On any Payment Date as of which a Rating Downgrade Condition existed on the last day of the related Due Period, the Issuer shall have the right, so long as no Potential Amortization Event, Potential

Event of Default, Amortization Event or Event of Default has occurred and is continuing, to obtain a release of the Lien of this Indenture on Green Loans with an aggregate Loan Balance on such date equal to the excess of (x) the product of (i) the sum of the amounts distributed to Noteholders pursuant to clause NINTH of Section 4.1 on such Payment Date and each prior Payment Date and (ii) one divided by (a) if such Payment Date is prior to the Advance Decrease Date, the AA Advance Rate for such date or (b) if such Payment Date is on or after the Advance Decrease Date, the AAA Advance Rate, over (y) the aggregate Loan Balance of all Green Loans released pursuant to this Section 5.7 since the occurrence of such Rating Downgrade Condition (calculated as of the date such Green Loans were released pursuant to this Section 5.7). The Issuer shall provide written notice to the Trustee and the Collateral Agent of any release pursuant to this Section 5.7 not less than two Business Days prior to the Payment Date on which such release is to be effected, specifying the Green Loans to be released.

(i) Maintain in full effect its existence, rights and franchises as a limited liability company under the laws of the state of its formation and will obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture and the other Facility Documents to which the Issuer is a party and each other instrument or agreement necessary or appropriate to proper administration hereof and permit and effectuate the transactions contemplated hereby.

(v) Ensure that all material transactions between the Issuer and any of its Affiliates shall be only on an arm's-length basis and shall not be on terms more favorable to either party than the terms that would be found in a similar transaction involving unrelated third parties. All such transactions shall receive the approval of the Issuer's board of directors including the Independent Directors.

(vi) Maintain a principal executive and administrative office through which its business is conducted and a telephone number separate from those of its members, managers and other Affiliates. To the extent that the Issuer and any of its members, managers or other Affiliates have offices in contiguous space, there shall be fair and appropriate allocation of overhead costs (including rent) among them, and each such entity shall bear its fair share of such expenses.

(vii) Conduct its affairs strictly in accordance with its certificate of formation and limited liability company agreement and observe all necessary, appropriate and customary formalities, including, but not limited to, holding all regular and special meetings of the board of directors appropriate to authorize all actions of the Issuer, keeping separate and accurate minutes of such meetings, passing all resolutions or consents necessary to authorize actions taken or to be taken, and maintaining accurate and separate books, records and accounts, including, but not limited to, intercompany transaction accounts. (ix) Ensure that decisions with respect to its business and daily operations shall be independently made by the Issuer (although the officer making any particular decision may also be an officer or director of an Affiliate of the Issuer) and shall not be dictated by an Affiliate of the Issuer.

(x) Act solely in its own company name and through its own authorized members, managers, officers and agents, and no Affiliate of the Issuer shall be appointed to act as agent of the Issuer. The Issuer shall at all times use its own stationery and business forms and, except as is consistent with its tax treatment, describe itself as a separate legal entity.

(xi) Except as contemplated by the Facility Documents, ensure that no Affiliate of the Issuer shall loan money to the Issuer, and no Affiliate of the Issuer will otherwise guaranty debts of the Issuer.

(xii) Other than organizational expenses and as contemplated by the Facility Documents, pay all expenses, indebtedness and other obligations incurred by it using its own funds.

(xiii) Except as provided herein and in any other Facility Document, not enter into any guaranty, or otherwise become liable, with respect to or hold its assets or creditworthiness out as being available for the payment of any obligation of any Affiliate of the Issuer nor shall the Issuer make any loans to any Person.

(xiv) Ensure that any financial reports required of the Issuer shall comply with GAAP and shall be issued separately from, but may be consolidated with, any reports prepared for any of its Affiliates so long as such consolidated reports contain footnotes describing the effect of the transactions between the Issuer and such Affiliate and also state that the assets of the Issuer are not available to pay creditors of the Affiliate.

(xv) Ensure that at all times it is adequately capitalized to engage in the transactions contemplated in its certificate of formation and its limited liability company agreement.

(n) Computer Files. The Issuer shall mark or cause to be marked each Pledged Loan in its computer files as described in Section 3.2(b).

(o) Taxes. The Issuer shall file or cause to be filed, and cause each of its Affiliates with whom it shares consolidated tax liability to file, all federal, state, and foreign local tax returns which are required to be filed by it, except where the failure to file such returns could not reasonably be expected to have a Material Adverse Effect. The Issuer shall pay or cause to be paid all taxes due and owing by it, other than any taxes or assessments, the validity of which are being contested in good faith by appropriate proceedings and with respect to which the Issuer or the applicable Affiliate shall have set aside adequate reserves on its books in accordance with GAAP, and which proceedings could not reasonably be expected to have a Material Adverse Effect.

(p) Tax Classification. The Issuer shall, for as long as the Series 2008-A Notes are outstanding, not take any action, or fail to take any action, that would cause the Issuer not to remain classified, for federal income tax purposes, as a disregarded entity or a partnership that is not classified as a publicly traded partnership.

(q) Facility Documents. The Issuer shall comply in all material respects with the terms of, employ the procedures outlined in and enforce the obligations of the Depositor under the Depositor Purchase Agreement and of the parties to each of the other Facility Documents to which the Issuer is a party, and take all such action as may reasonably be required to maintain all such Facility Documents to which the Issuer is a party in full force and effect.

The Issuer shall at least once each calendar month, provide to the Trustee an amendment to the Series 2008-A Loan Schedule, or cause the Servicer to electronically provide an amendment to the Series 2008-A Loan Schedule, listing the Pledged Loans added to the Collateral and the Pledged Loans released from the Collateral and amending the Series 2008-A Loan Schedule to reflect terms or discrepancies in such schedule that become known to the Issuer since the filing of the original Series 2008-A Loan Schedule or since the most recent amendment thereto.

(s) Segregation of Collections. The Issuer shall with respect to the Control Account either (i) prevent the deposit into such account of any funds other than Collections in respect of Pledged Loans or (ii) enter into an intercreditor agreement with other entities which have an interest in the amounts in the Control Account to allocate the Collections with respect to the Pledged Loans to the Issuer and transfer such amounts to the Trustee for deposit into the Collection Account; (provided that, the covenant in clause (i) of this paragraph (s) shall not be breached to the extent that funds not constituting Collections in respect of the Pledged Loans are inadvertently deposited into such Control Account and are promptly segregated and remitted to the owner thereof).

(t) Filings; Further Assurances.

(i) On or prior to the Closing Date, the Issuer shall have caused at its sole expense the Financing Statements, assignments and amendments thereof necessary to perfect the security interest in the Collateral to be filed or recorded in the appropriate offices.

Without limiting the foregoing, the Issuer shall from time to time, at its sole expense, authorize, execute, file, deliver and record all such supplements and amendments hereto and to this Indenture and all such Financing Statements, amendments thereto, continuation statements, instruments of further assurance, or other statements, specific assignments or other instruments or documents and take any other action that is reasonably necessary to, or that any of the Servicer, the Trustee deems reasonably necessary or advisable to: (i) Grant more effectively all or any portion of the Collateral; (ii) maintain or preserve the Lien Granted under this Indenture (and the priority thereof) or carry out more effectively the purposes hereof or thereof; (iii) perfect, maintain the perfection of, publish notice of, or protect the validity of any Grant made or to be made pursuant to this Indenture; (iv) enforce any of the Pledged Loans or any of the other Pledged Assets (including without limitation by cooperating with the Trustee, at the expense of the Issuer, in filing and recording such Financing Statements against such Obligors as the Servicer, the Trustee shall deem necessary or advisable from time to time); (v) preserve and defend title to any Pledged Loans or all or any other part of the Pledged Assets, and the rights of the Trustee in such Pledged Loans or other related Pledged Assets, against the claims of all Persons and parties; or (vi) pay any and all taxes levied or assessed upon all or any part of any Collateral.

ARTICLE VII  
SERVICING OF PLEDGED LOANS

Section 7.1. Responsibility for Loan Administration. The Servicer shall manage, administer, service and make collections on the Pledged Loans on behalf of the Trustee on behalf of the Noteholders and Issuer. Without limiting the generality of the foregoing, but subject to all other provisions hereof, the Trustee and the Issuer grant to the Servicer a limited power of attorney to execute and the Servicer is hereby authorized and empowered to so execute and deliver, on behalf of itself, the Issuer and the Trustee or any of them, any and all instruments of satisfaction or cancellation or of partial or full release or discharge and all other comparable instruments with respect to the Pledged Loans, any related Mortgages and the related Timeshare Properties, but only to the extent deemed necessary by the Servicer.

The Trustee, the Issuer and the Collateral Agent, at the request of a Servicing Officer, shall furnish the Servicer with any documents in its possession reasonably requested or take any action reasonably requested, necessary or appropriate to enable the Servicer to carry out its servicing and administrative duties hereunder (subject, in the case of requests for documents contained in any Loan Files, to the requirements of Section 6.1(I)(ii)).

Wyndham Consumer Finance, Inc. is hereby appointed as the Servicer until such time as any Service Transfer shall be effected under Article XII.

Section 7.2. Standard of Care. In managing, administering, servicing and making collections on the Pledged Loans pursuant to this Indenture, the Servicer will exercise that degree of skill and care consistent with Customary Practices and the Credit Standards and Collection Policies.

Section 7.3. Records. The Servicer shall, during the period it is Servicer hereunder, maintain such books of account, computer data files and other records as will enable the Trustee to determine the status of each Pledged Loan and will enable such Loan to be serviced in accordance with the terms of this Indenture by a Successor Servicer following a Service Transfer.

Section 7.4. Series 2008-A Loan Schedule. The Servicer shall at all times maintain the Series 2008-A Loan Schedule and electronically provide to the Trustee, the Issuer, the Collateral Agent and the Custodian a current, complete copy of the Series 2008-A Loan Schedule. The Series 2008-A Loan Schedule may be in one or multiple documents including an original listing and monthly amendments listing changes.

Section 7.5. Enforcement.

(a) The Servicer will, consistent with Section 7.2, act with respect to the Pledged Loans in such manner as will maximize the receipt of Collections in respect of such Pledged Loans (including, to the extent necessary, instituting foreclosure proceedings against the Timeshare Property, if any, underlying a Pledged Loan or disposing of the underlying Timeshare Property, if any).

(b) The Servicer may sue to enforce or collect upon Pledged Loans, in its own name, if possible, or as agent for the Issuer. If the Servicer elects to commence a legal proceeding to enforce a Pledged Loan, the act of commencement shall be deemed to be an automatic assignment of the Pledged Loan to the Servicer for purposes of collection only. If, however, in any enforcement suit or legal proceeding it is held that the Servicer may not enforce a Pledged Loan on the grounds that it is not a real party in interest or a holder entitled to enforce the Pledged Loan, the Trustee on behalf of the Issuer shall, at the Servicer's expense, take such steps as the Servicer and the Trustee may mutually agree are necessary (such agreement not to be unreasonably withheld) to enforce the Pledged Loan, including bringing suit in its name or the name of the Issuer. The Servicer shall provide to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred thereby.

(c) The Servicer, upon notice to the Trustee, may grant to the Obligor on any Pledged Loan any rebate, refund or adjustment out of the appropriate Collection Account that the Servicer in good faith believes is required as a matter of law; provided that, on any Business Day on which such rebate, refund or adjustment is to be paid hereunder, such rebate, refund or adjustment shall only be paid to the extent of funds otherwise available for distribution from the Collection Account.

(d) The Servicer will not extend, amend, waive or otherwise modify the terms of any Pledged Loan or permit the rescission or cancellation of any Pledged Loan, whether for any reason relating to a negative change in the related Obligor's creditworthiness or inability to make any payment under the Pledged Loan or otherwise other than in accordance with Customary Practices.

(e) The Servicer shall have the discretion to sell the collateral which secures any Defaulted Loans free and clear of the Lien of this Indenture, in exchange for cash, in accordance with Customary Practices and Credit Standards and Collection Policies. All proceeds of any such sale of such collateral shall be deposited by the Servicer into the Collection Account.

(f) The Servicer shall not sell any Defaulted Loan or any collateral securing a Defaulted Loan to any Seller or Originator except for an amount at least equal to the fair market value thereof.

(g) Notwithstanding any other provision of this Indenture, the Servicer shall have no obligation to, and shall not, foreclose on the collateral securing any Pledged Loan unless the proceeds from such foreclosure will be sufficient to cover the expenses of such foreclosure. Notwithstanding any other provision of this Indenture, proceeds from the foreclosure by the Servicer on the collateral securing any Pledged Loans shall first be applied by the Servicer to reimburse itself for the expenses of such foreclosure, and any remaining proceeds shall be deposited into the Collection Account.

Section 7.6. Trustee and Collateral Agent to Cooperate. Upon request of a Servicing Officer, the Trustee and the Collateral Agent shall perform such other acts as are reasonably requested by the Servicer (including without limitation the execution of documents) and otherwise cooperate with the Servicer in enforcement of the Trustee's rights and remedies with respect to Pledged Loans.

Section 7.7. Other Matters Relating to the Servicer. The Servicer is hereby authorized and empowered to:

(a) advise the Trustee in connection with the amount of withdrawals from Accounts in accordance with the provisions of this Indenture;

(b) execute and deliver, on behalf of the Issuer, any and all instruments of satisfaction or cancellation, or of partial or full release or discharge, and all other comparable instruments, with respect to the Pledged Loans and, after the delinquency of any Pledged Loan and to the extent permitted under and in compliance with applicable law and regulations, to commence enforcement proceedings with respect to such Pledged Loan including without limitation the exercise of rights under any power-of-attorney granted in any Pledged Loan; and

(c) make any filings, reports, notices, applications, registrations with, and to seek any consents or authorizations from the Securities and Exchange Commission and any state securities authority on behalf of the Issuer as may be necessary or advisable to comply with any federal or state securities or reporting requirements laws.

Prior to the occurrence of an Event of Default hereunder, the Trustee agrees that, it shall promptly follow the instructions of the Servicer duly given to withdraw funds from the Accounts in accordance with the terms hereof.

Section 7.8. Servicing Compensation. As compensation for its servicing activities hereunder, the Servicer shall be entitled to receive the Monthly Servicer Fee which shall be calculated under this Indenture and be paid to the Servicer pursuant to the terms of this Indenture.

Section 7.9. Costs and Expenses. The costs and expenses incurred by the Servicer in carrying out its duties hereunder, including without limitation the fees and expenses incurred in connection with the enforcement of Pledged Loans, shall be paid by the Servicer and the Servicer shall be entitled to reimbursement hereunder from the Issuer as provided herein. Failure by the Servicer to receive reimbursement shall not relieve the Servicer of its obligations under this Indenture.

Section 7.10. Representations and Warranties of the Servicer. The Servicer hereby represents and warrants to the Trustee, the Collateral Agent and the Noteholders as of the Closing Date and the Second Amendment Effective Date:

(a) Organization and Good Standing. The Servicer is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has full corporate power, authority, and legal right to own its property and conduct its business as such properties are presently owned and such business is presently conducted, and to execute, deliver and perform its obligations under this Indenture. The Servicer is duly qualified to do business and is in good standing as a foreign corporation, and has obtained all necessary licenses and approvals in each jurisdiction necessary for the enforcement of each Pledged Loan or in which failure to qualify or to obtain such licenses and approvals would have a Material Adverse Effect.

(b) Due Authorization. The execution and delivery by the Servicer of each of the Facility Documents to which it is a party, and the consummation by the Servicer of the transactions contemplated hereby and thereby have been duly authorized by the Servicer by all necessary corporate action on the part of the Servicer.

(c) Binding Obligations. Each of the Facility Documents to which Servicer is a party constitutes a legal, valid and binding obligation of the Servicer enforceable against the Servicer in accordance with its terms, except as such enforceability may be subject to or limited by applicable Debtor Relief Laws and except as such enforceability may be limited by general principles of equity (whether considered in a suit at law or in equity).

(d) No Conflict; No Violation. The execution and delivery by the Servicer of each of the Facility Documents to which the Servicer is a party, and the performance by the Servicer of the transactions contemplated by such agreements and the fulfillment by the Servicer of the terms hereof and thereof applicable to the Servicer, will not conflict with, violate, result in any breach of the terms and provisions of, or constitute (with or without notice or lapse of time or both) a default under any provision of any existing law or regulation or any order or decree of any court applicable to the Servicer or its certificate of incorporation or bylaws or any material indenture, contract, agreement, mortgage, deed of trust or other material instrument, to which the Servicer is a party or by which it is bound, except where such conflict, violation, breach or default would not have a Material Adverse Effect.

(e) No Proceedings. There are no proceedings or investigations pending or, to the knowledge of the Servicer threatened, against the Servicer, before any court, regulatory body, administrative agency, or other tribunal or governmental instrumentality (i) asserting the invalidity of this Indenture or any of the other Facility Documents, (ii) seeking to prevent the consummation of any of the transactions contemplated by this Indenture or any of the other Facility Documents, (iii) seeking any determination or ruling that, in the reasonable judgment of the Servicer, would adversely affect the performance by the Servicer of its obligations under this Indenture or any of the other Facility Documents, (iv) seeking any determination or ruling that would adversely affect the validity or enforceability of this Indenture or any of the other Facility Documents or (v) seeking any determination or ruling that would have a Material Adverse Effect.

(f) All Consents Required. All approvals, authorizations, consents, orders or other actions of any Person or any governmental body or official required in connection with the execution and delivery by the Servicer of this Indenture or of the other Facility Documents to which it is a party or the performance by the Servicer of the transactions contemplated hereby and thereby and the fulfillment by the Servicer of the terms hereof and thereof, have been obtained, except where the failure so to do would not have a Material Adverse Effect.

Section 7.11. Additional Covenants of the Servicer. The Servicer further agrees as provided in this Section 7.11.

(a) Change in Payment Instructions to Obligors The Servicer will not add or terminate any bank as a Control Account Bank from those listed on Exhibit E or make any change in its instructions to Obligors regarding payments to be made to any Control Account

Bank, unless the Trustee shall have received (i) 30 Business Days' prior notice of such addition, termination or change and (ii) prior to the effective date of such addition, termination or change, (x) fully executed copies of the new or revised Control Agreement executed by the new Control Account Bank, the Issuer, the Trustee and the Servicer and (y) copies of all agreements and documents signed by either the Issuer or the Control Account Bank with respect to any new Control Account.

(e) Credit Standards and Collection Policies. The Servicer will comply in all material respects with the Credit Standards and Collection Policies and Customary Practices with respect to each Pledged Loan.

(f) Notice to Obligors. The Servicer will ensure that the Obligor of each Pledged Loan either:

(1) has been instructed, pursuant to the Servicer's routine distribution of a periodic statement to such Obligor next succeeding:

(A) the date the Loan becomes a Pledged Loan, or

(B) the day on which a PAC ceased to apply to such Pledged Loan, in the case of a Pledged Loan formerly subject to a PAC,

but in no event later than the then next-succeeding due date for a Scheduled Payment under the related Pledged Loan, to remit Scheduled Payments thereunder to a Post Office Box for credit to the Control Account, or directly to the Control Account, in each case maintained at a Control Account Bank pursuant to the terms of a Control Agreement,

(2) has entered into a PAC, pursuant to which a deposit account of such Obligor is made subject to a pre-authorized debit in respect of Scheduled Payments as they become due and payable, and the Servicer has, and has caused each of the Control Account Bank and/or the Trustee, to take all necessary and appropriate action to ensure that each such pre-authorized debit is credited directly to the Control Account or the Collection Account;

The Servicer shall at all times maintain each office from which it services Pledged Loans within the United States of America.

(h) Instruments. The Servicer will not remove any portion of the Pledged Loans or other collateral that consists of money or is evidenced by an instrument, certificate or other writing (including any Pledged Loan) from the jurisdiction in which it is then held unless the Trustee has first received an Opinion of Counsel to the effect that the Lien created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions; provided, however, that each Custodian, the Collateral Agent and the Servicer may remove Loans from such jurisdiction to the extent necessary to satisfy any requirement of law or court order, in all cases in accordance with the provisions of the Custodial Agreement, the Collateral Agency Agreement and this Indenture.

(i) Series 2008-A Loan Schedule. The Servicer will promptly amend the related Series 2008-A Loan Schedule to reflect terms or discrepancies that become known to the Servicer at any time.

(j) Segregation of Collections. The Servicer will, with respect to the Control Account either (i) prevent the deposit into such account of any funds other than Collections in respect of Pledged Loans or (ii) enter into an intercreditor agreement with other entities which have an interest in the amounts in the Control Account to allocate the Collections with respect to Pledged Loans to the Issuer and transfer such amounts to the Trustee for deposit into the appropriate Collection Account; (provided that, the covenant in clause (i) of this paragraph (j) shall not be breached to the extent funds not constituting Collections in respect of Pledged Loans are inadvertently deposited into such Control Account and are promptly segregated and remitted to the owner thereof.

(k) Terminate or Reject Loans. Except to the extent necessary to address defects in the sales process or in cases of exceptional hardship of the Obligor, and without limiting anything in Section 6.2(b), the Servicer will not terminate any Pledged Loan prior to the end of the term of such Loan, whether such early termination is made pursuant to an equitable cause, statute, regulation, judicial proceeding or other applicable law, unless prior to such termination, the Issuer consents and any related Pledged Assets have been released from the Lien of this Indenture.

(l) Change in Business or Credit Standards and Collection Policies The Servicer will not make any change in the Credit Standards and Collection Policies or deviate from the exercise of Customary Practices, which change or deviation would materially impair the value or collectibility of any Pledged Loan.

(m) Keeping of Records and Books of Account. The Servicer shall maintain and implement administrative and operating procedures (including without limitation an ability to recreate records evidencing the Pledged Loans in the event of the destruction or loss of the originals thereof) and keep and maintain, all documents, books, records and other information reasonably necessary or advisable for the collection of all Pledged Loans (including without limitation records adequate to permit the daily identification of all Collections with respect to, and adjustments of amounts payable under, each Pledged Loan).

If on any Determination Date the weighted average FICO Score of all Loans with an original term of longer than 84 months as of the last day of the immediately preceding Due Period is not at least 655 (the "7-Year Loans Restriction"), then the Servicer shall, at the direction of the Issuer, specify in writing Loans to be included in the FICO Score of 7-Year Loans Excess Amount such that, upon such inclusion, the 7-Year Loans Restriction shall be fulfilled. (o) No Impermissibly Modified Loan. The Servicer shall not take any action that would cause a Loan to be an Impermissibly Modified Loan.

Section 7.12. Servicer not to Resign. The entity then serving as Servicer shall not resign from the obligations and duties hereby imposed on it hereunder except upon determination that (i) the performance of its duties hereunder is no longer permissible under applicable law, (ii) there is no reasonable action which can be taken to make the performance of its duties hereunder permissible under applicable law and (iii) a Successor Servicer shall have been appointed and accepted the duties as Servicer pursuant to Section 12.2. Any such determination permitting the resignation of the Servicer pursuant to clause (i) of the preceding sentence shall be evidenced by an Opinion of Counsel to such effect delivered to the Trustee. No such resignation shall be effective until a Successor Servicer shall have assumed the responsibilities and obligations of the Servicer in accordance with Section 12.2.

Section 7.13. Merger or Consolidation of, or Assumption of the Obligations of Servicer.

The Servicer shall not consolidate with or merge into any other corporation or convey or transfer its properties and assets substantially as an entirety to any Person unless:

(ii) the Servicer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each stating that such consolidation, merger, conveyance or transfer and such supplemental agreement comply with this Section 7.13, and all conditions precedent provided for herein relating to such transaction have been satisfied;

Section 7.14. Examination of Records. Each of the Issuer and the Servicer shall clearly and unambiguously identify each Pledged Loan in its respective computer or other records to reflect that such Pledged Loan has been Granted to the Collateral Agent pursuant to this Indenture. Each of the Issuer and the Servicer shall, prior to the sale or transfer to a third party of any Loan similar to the Pledged Loans held in its custody, examine its computer and other records to determine that such Loan is not a Pledged Loan.

Section 7.15. Delegation of Duties. In the ordinary course of business, the Servicer, including any Successor Servicer, may at any time delegate any duties hereunder to any Person who agrees to conduct such duties in accordance with the terms of this Indenture, and any such Person to whom such duties have been delegated may be terminated concurrently with the termination of the Servicer hereunder. Any such delegations shall not constitute a resignation within the meaning of Section 7.12 of this Indenture. Notwithstanding anything to the contrary contained herein, or in any agreement relating to such delegations, the Servicer shall remain obligated and liable to the Trustee, the Issuer, the Collateral Agent and the Noteholders for the servicing and administration of the Pledged Loans in accordance with the provisions of this Indenture to the same extent and under the same terms and conditions as if it alone were servicing and administering the Pledged Loans.

Section 7.16. Servicer Advances. On or before each Determination Date the Servicer may deposit into the Collection Account an amount equal to the aggregate amount of Servicer Advances, if any, with respect to Scheduled Payments on Pledged Loans for the preceding Due Period which are not received on or prior to such Determination Date. Such Servicer Advances shall be included as Available Funds. Neither the Servicer, any Successor Servicer nor the Trustee, acting as Servicer, shall have any obligation to make any Servicer Advance and may

refuse to make a Servicer Advance for any reason or no reason. The Servicer shall not make any Servicer Advance that, after reasonable inquiry and in its sole discretion, it determines is unlikely to be ultimately recoverable from subsequent payments or collections or otherwise with respect to the Pledged Loan with respect to which such Servicer Advance is proposed to be made.

Section 7.17. Fair Market Value of Defaulted Loans. For the purpose of Section 7.5(f), no Defaulted Loan or Collateral related thereto shall be sold to any Seller or Originator unless the cash proceeds of such sale are at least equal to the fair market value of such Pledged Loan. For this purpose, "fair market value" shall mean initially, an amount equal to 25% of the original sale price of the related Timeshare Property and, in the event either the Issuer or the applicable Seller or Originator shall determine that such percentage is not reflective of the fair market value of the Pledged Loan or Collateral related thereto, the Issuer and the applicable Seller or Originator shall determine the fair market value of such Pledged Loan or Collateral related thereto, as a percentage of the original sale price of the related Timeshare Property. Prior to any such determination of a revised fair market value, written notice of such determination including, in reasonable detail, the calculation thereof, shall be given by the Servicer to each Funding Agent and each Non-Conduit Committed Purchaser. Any such determination shall be based on the historical inventory cost of the applicable Seller or Originator consistent with the cost of goods sold.

### REPORTS

Section 8.1. Monthly Report to Trustee. On or before 3:00 p.m., New York City time, on the Determination Date prior to each Payment Date, the Servicer shall transmit to the Trustee in a form or forms acceptable to the Trustee information necessary to make payments and transfer funds as provided in Article IV, and the Servicer shall produce the Settlement Statement for such Payment Date. Transmission of such information to the Trustee shall be deemed to be a representation and warranty by the Servicer to the Trustee and the Noteholders that such information is true and correct in all material respects. At the option of the Servicer, the Settlement Statement may be combined with the Monthly Servicing Report described in Section 8.2 and delivered to the Trustee as one report.

Section 8.2. Monthly Servicing Reports. On each Determination Date, the Servicer shall deliver to the Trustee, the Issuer and each Rating Agency the Monthly Servicing Report in the form set forth in Exhibit C with such additions as the Trustee may from time to time request, together with a certificate of a Servicing Officer substantially in the form of Exhibit C, certifying the accuracy of such report and that no Event of Default, Potential Event of Default, Amortization Event or Potential Amortization Event has occurred, or if such event has occurred and is continuing, specifying the event and its status. Such certificate shall also identify which, if any, Pledged Loans have become Defective Loans or Defaulted Loans during the preceding Due Period.

Section 8.3. Other Data. In addition, the Servicer shall at the reasonable request of the Trustee, the Issuer or a Rating Agency, furnish to the Trustee, the Issuer or such Rating Agency such underlying data as can be generated by the Servicer's existing data processing system

without undue modification or expense; provided, however, nothing in this Section 8.3 shall permit any of the Trustee, the Issuer or any Rating Agency to materially change or modify the ongoing data reporting requirements under this Article VIII.

Section 8.4. Annual Servicer's Certificate. The Servicer will deliver to the Issuer, the Trustee and each Rating Agency within forty-five (45) days after the end of each fiscal year, beginning with the fiscal year, ending December 31, 2008, an Officer's Certificate stating that (a) a review of the activities of the Servicer during the preceding calendar year (or, in the case of the first such Officer's Certificate, the period since the Closing Date) and of its performance under this Indenture during such period was made under the supervision of the officer signing such certificate and (b) to the Servicer's knowledge, based on such review, the Servicer has fully performed all of its obligations under this Indenture for the relevant time period, or, if there has been a default in the performance of any such obligation, specifying each such default known to such officer and the nature and status thereof.

Section 8.5. Notices to WCF. In the event that WCF is not acting as Servicer, any Successor Servicer appointed and acting pursuant to Section 12.2 shall deliver or make available to the Issuer and WCF each certificate and report required to be prepared, forwarded or delivered thereafter pursuant to the provisions of this Article VIII.

Section 8.6. Delivery of Reports to Deal Agent. The Servicer shall on each date it delivers a report to the Trustee under Section 8.1 or 8.2 above deliver a copy of each such report to the Deal Agent, each Funding Agent and each Non-Conduit Committed Purchaser.

Section 8.7. Tax Reporting. The Trustee shall file or cause to be filed with the Internal Revenue Service and furnish or cause to be furnished to Noteholders Information Reporting Forms 1099, together with such other information, reports or returns at the time or times and in the manner required by the Internal Revenue Code consistent with the treatment of the Series 2008-A Notes as indebtedness of the Issuer for federal income tax purposes.

## ARTICLE IX

### INDEMNITIES

Section 9.1. Liabilities to Obligors. No obligation or liability to any Obligor under any of the Pledged Loans is intended to be assumed by the Trustee or the Noteholders under or as a result of this Indenture and the transactions contemplated hereby and, to the maximum extent permitted by law, the Trustee and the Noteholders expressly disclaim any such obligation and liability.

Section 9.2. Tax Indemnification. The Issuer agrees to pay, and to indemnify, defend and hold harmless the Trustee, the Servicer and the Noteholders from, any taxes which may at any time be asserted with respect to, and as of the date of, the Grant of the Pledged Loans to the Collateral Agent for the benefit of the Trustee, the Servicer and the Noteholders, including without limitation any sales, gross receipts, general corporation, personal property, privilege or license taxes (but not including any federal, state or other income or intangible asset taxes arising out of the issuance of the Series 2008-A Notes or distributions with respect thereto, other than

any such intangible asset taxes in respect of a jurisdiction in which the indemnified person is not otherwise subject to tax on its intangible assets) and costs, expenses and reasonable counsel fees in defending against the same.

Section 9.3. Servicer's Indemnities. Each entity serving as Servicer shall defend and indemnify the Issuer and the Trustee against any and all costs, expenses, losses, damages, claims and liabilities, including reasonable fees and expenses of counsel and expenses of litigation, in respect of any action taken, or failure to take any action by such entity as Servicer (but not by any predecessor or successor Servicer) with respect to this Indenture or any Pledged Loan; provided, however, that such indemnity shall apply only in respect of any negligent action taken, or negligent failure to take any action, or reckless disregard of duties hereunder, or bad faith or willful misconduct by the Servicer. This indemnity shall survive any Service Transfer (but a Servicer's obligations under this Section 9.3 shall not relate to any actions of any Successor Servicer after a Service Transfer) and any payment of the amount owing hereunder or under this Indenture or any release by the Issuer of any such Pledged Loan.

Section 9.4. Operation of Indemnities. Indemnification under this Article IX shall include without limitation reasonable fees and expenses of counsel and expenses of litigation. If the Servicer has made any indemnity payments to the Trustee, the Noteholders or the Issuer pursuant to this Article IX and if either the Trustee, the Noteholders or the Issuer thereafter collect any of such amounts from others, the Trustee, the Noteholders or the Issuer will promptly repay such amounts collected to the Servicer without interest.

## ARTICLE XI

### EVENTS OF DEFAULT

Section 11.1. Events of Default. If any of the following events occur:

(a) Failure on the part of the Issuer (1) to repay the Notes Principal Amount in full on or before the Mandatory Redemption Date, (2) to repay the Notes Principal Amount in full on or before the Maturity Date, (3) to make or cause to be made any payment or deposit required by the terms of this Indenture or any other Document on or before the date such payment or deposit is required to be made and such failure remains unremedied for two Business Days (provided, however, that if the Issuer is unable to make a payment or deposit when due and such failure is as a result of circumstances beyond the Issuer's control, the grace period shall be extended to three Business Days), (4) on or after the Initial Advance Date, to provide a Hedge Agreement meeting the requirements of Section 4.7 and such failure continues for five Business Days, (5) if the Hedge Provider ceases to be a Qualified Hedge Provider, to enter into a Hedge Agreement with a Qualified Hedge Provider by one of the methods set forth in Section 4.8 within the five

days provided in Section 4.8 and such failure continues for five Business Days beyond the period allowed in Section 4.8, or (6) to duly to observe or perform or cause to be observed or performed any covenant or agreement of the Issuer set forth in this Indenture or any other Facility Document to which the Issuer is a party (other than these events caused in clause (1), (2), (3), (4) or (5) of this subsection), which continues unremedied for a period of 30 days (or five Business Days, in the case of Section 6.1(b), (f), (g)(2) or (g)(3) or 6.2(a), (c), (d), (e), (i), (l), (n), (o) or (p)) after the earlier of (x) the date on which written notice of such failure, requiring the same to be remedied, shall have been given to an officer of the Issuer by the Trustee or any Noteholder or (y) the date on which an officer of the Issuer has actual knowledge thereof;

(b) any representation or warranty made by the Issuer with respect to itself in this Indenture shall prove to have been incorrect in any material respect when made and has a material adverse effect on the Trustee's or the Collateral Agent's interest in the Pledged Loans and other related Pledged Assets and the Issuer is not in compliance with such representation or warranty within ten Business Days after the earlier of the date on which the Issuer or a Responsible Officer of the Trustee has actual knowledge of such breach and the date on which written notice of such breach requiring that such breach be remedied, shall have been given to the Issuer by the Trustee or any Noteholder;

(c) (1) an Insolvency Event shall occur with respect to the Depositor or the Issuer, or (2) an Insolvency Event shall occur with respect to any Seller of Series 2008-A Loans or the Parent Corporation;

(d) the Issuer shall become an "investment company" or shall become under the control of an "investment company" within the meaning of the Investment Company Act; or

(e) the Servicer shall have been terminated following a Servicer Default, and a Successor Servicer shall not have been appointed or such appointment shall not have been accepted within five Business Days after the date of the termination stated in the Termination Notice and the Trustee is not acting as Servicer;

THEN, in the case of the event described in subparagraph (a)(1), (a)(5), (a)(6) or (c)(2), after the applicable grace period, if any, set forth in such subparagraphs, the Majority Facility Investors by notice given in writing to the Issuer (and to the Trustee) may declare that an event of default has occurred as of the date of such notice, and in the case of any event described in subparagraph (a)(2), (a)(3), (a)(4), (b), (c)(1), (d) or (e), an Event of Default shall occur without any notice or other action on the part of the Deal Agent, immediately upon the occurrence of such event and shall continue unless waived in writing by each of the Funding Agents and each of the Non-Conduit Committed Purchasers.

#### Section 11.2. Acceleration of Maturity; Rescission and Annulment

(a) If an Event of Default described in paragraph (a)(1), (a)(2), (a)(3), (a)(4), (a)(5), (a)(6), (b), (c)(2), (d) or (e) of Section 11.1 should occur and be continuing, then and in every such case the Majority Facility Investors may declare all the Series 2008-A Notes to be immediately due and payable, by a notice in writing to the Issuer and to the Trustee, and upon any such declaration the unpaid principal amount of the Series 2008-A Notes, together with

accrued or accreted and unpaid interest thereon through the date of acceleration, shall become immediately due and payable. If an Event of Default described in paragraph (c) (1) of Section 11.1 should occur then and in every such case the Series 2008-A Notes together with accrued or accreted and unpaid interest through the date of acceleration, shall become automatically and immediately due and payable.

(b) If an Event of Default has occurred and the maturity of the Series 2008-A Notes has been accelerated, such acceleration may be rescinded or annulled by each of the Funding Agents and each of the Non-Conduit Committed Purchasers by written notice to the Issuer and the Trustee.

Section 11.3. Collection of Indebtedness and Suits for Enforcement by Trustee. The Issuer covenants that if the Series 2008-A Notes are accelerated following the occurrence of an Event of Default, and such acceleration has not been rescinded and annulled, the Issuer shall, upon demand of the Trustee, pay to it, for the benefit of the Noteholders, the whole amount then due and payable on the Series 2008-A Notes for principal and interest, with interest upon the overdue principal and upon overdue installments of interest to the extent that payment of such interest shall be legally enforceable; and, in addition thereto, such further amount as shall be sufficient to cover the reasonable costs and expenses of collection, including the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; provided, however, the amount due under this Section 11.3 shall not exceed the aggregate proceeds from the sale of the Collateral and amounts otherwise held by the Issuer and available for such purpose.

Until such demand is made by the Trustee, the Issuer shall pay the principal of and interest on the Series 2008-A Notes to the Trustee for the benefit of the registered Holders to be applied as provided in this Indenture, whether or not the Series 2008-A Notes are overdue.

If the Issuer fails to pay such amounts forthwith upon such demand, then the Trustee for the benefit of the Noteholders and as trustee of an express trust, may, with the prior written consent of or at the direction of the Majority Facility Investors, institute suits in equity, actions at law or other legal, judicial or administrative proceedings (each, a "Proceeding") for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer and collect the monies adjudged or decreed to be payable in the manner provided by law out of the Collateral wherever situated. In the event a Proceeding shall involve the liquidation of the Collateral, the Trustee shall pay all costs and expenses for such Proceeding and shall be reimbursed for such costs and expenses from the resulting liquidation proceeds. In the event that the Trustee determines that liquidation proceeds will not be sufficient to fully reimburse the Trustee, the Trustee shall receive indemnity satisfactory to it against such costs and expenses from the Noteholders (which indemnity may include, at the Trustee's option, consent by each Noteholder authorizing the Trustee to be reimbursed from amounts available in the Collection Account).

If an Event of Default occurs and is continuing, the Trustee may, and with the prior written consent of or at the direction of the Majority Facility Investors, shall, proceed to protect and enforce its rights and the rights of the Noteholders hereunder and under the Series 2008-A Notes, by such appropriate Proceedings as are necessary to effectuate, protect and enforce any such rights, whether for the specific enforcement of any covenant, agreement, obligation or

indemnity in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 11.4. Trustee May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other Proceeding relative to the Issuer or the property of the Issuer or its creditors, the Trustee (irrespective of whether the principal of the Series 2008-A Notes shall then be due and payable as therein expressed or by declaration or otherwise) shall be entitled and empowered, by intervention in such Proceeding or otherwise,

(a) to file a proof of claim for the whole amount of principal and interest owing and unpaid in respect of the Series 2008-A Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Noteholders allowed in such Proceeding, and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same to the Noteholders;

and any receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such Proceeding is hereby authorized by each Noteholder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Noteholders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Article XIII.

Nothing contained herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Series 2008-A Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder in any such Proceeding.

Section 11.5. Remedies.

(a) If an Event of Default shall have occurred and be continuing, the Trustee and the Collateral Agent (upon direction by the Trustee) may, with the prior written consent of or at the direction of the Majority Facility Investors, do one or more of the following (subject to Section 11.6):

(1) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the Series 2008-A Notes or under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Collateral and the property of the Issuer monies adjudged due;

(2) obtain possession of the Pledged Loans in accordance with the terms of the Custodial Agreement and sell the Collateral or any portion thereof or rights or

interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 11.13;

(3) institute Proceedings in its own name and as trustee of an express trust from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral; and

(4) exercise any remedies of a secured party under the UCC with respect to the Collateral and take any other appropriate action to protect and enforce the rights and remedies of the Trustee or the Holders and each other agreement contemplated hereby (including retaining the Collateral pursuant to Section 11.6 and applying distributions from the Collateral pursuant to Section 11.6);

provided, however, that the Trustee may not sell or otherwise liquidate, or direct the Collateral Agent to sell or otherwise liquidate, the Collateral which constitutes Loans and Pledged Assets following an Event of Default other than an Event of Default described in this Indenture resulting from an Insolvency Event, unless either (i) the Majority Facility Investors consent thereto, or (ii) the proceeds of such sale or liquidation distributable to the Noteholders are sufficient to discharge in full the amounts then due and unpaid upon the Series 2008-A Notes for principal and accrued interest and the fees and other amounts required to be paid prior to payment of amounts due on the Series 2008-A Notes pursuant to Section 11.6.

For purposes of clause (i) or clause (ii) of the preceding paragraph, the Trustee may, but need not, obtain and rely upon an opinion of an independent accountant or an independent investment banking firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the distributions and other amounts receivable with respect to the Collateral to make the required payments of principal of and interest on the Series 2008-A Notes, and any such opinion shall be conclusive evidence as to such feasibility or sufficiency. The Issuer shall bear the reasonable costs and expenses of any such opinion.

(b) In addition to the remedies provided in Section 11.5(a), if so provided in this Indenture, the Trustee may, and at the request of the Majority Facility Investors shall, institute a Proceeding in its own name and as trustee of an express trust solely to compel performance of a covenant, agreement, obligation or indemnity or to cure the representation or warranty or statement, the breach of which gave rise to the Event of Default; and the Trustee may enforce any equitable decree or order arising from such Proceeding.

Section 11.6. Application of Monies Collected During Event of Default. If the Series 2008-A Notes have been accelerated following an Event of Default and such acceleration and its consequences have not been rescinded and annulled, and distributions on the Collateral securing the Series 2008-A Notes are not being applied pursuant to Section 11.6, any monies collected by the Trustee pursuant to this Article XI or otherwise with respect to such Series 2008-A Notes shall be applied in accordance with the following order:

FIRST, to the Trustee in payment of the Monthly Trustee Fees and in reimbursement of permitted expenses of the Trustee under each of the Facility Documents to which the Trustee is a party; in the event of a Servicer Default and the

replacement of the Servicer with the Trustee or a Successor Servicer, the costs and expenses of replacing the Servicer shall be permitted expenses of the Trustee;

SECOND, if the Servicer is not Wyndham Consumer Finance, Inc. or an affiliate of the Parent Corporation, to the Servicer, in payment of amounts due and unpaid of the Servicer Fee and, whether or not Wyndham Consumer Finance, Inc. or another affiliate of the Parent Corporation is then the Servicer, to the Servicer in reimbursement of any unreimbursed Servicer Advances;

THIRD, to Noteholders for interest according to the amounts due and unpaid on such Series 2008-A Notes for interest and all other amounts (other than principal of the Series 2008-A Notes) due to the Noteholders under the Facility Documents;

FOURTH, if the Servicer is Wyndham Consumer Finance, Inc. or another affiliate of the Parent Corporation, to the Servicer, in payment of amounts due and unpaid of the Servicer Fee;

FIFTH, to the Noteholders in payment of unpaid principal on the Series 2008-A Notes; provided, however, that, upon the direction of 100% of the Noteholders and to the extent permitted by law as determined solely by the Noteholders, any amounts otherwise due to the Noteholders under this provision FIFTH, shall not be applied to reduce principal, but shall be applied by the Trustee to purchase a Hedge Agreement in the amount and manner specified by the Noteholders;

SIXTH, to the hedge provider or hedge providers under the Hedge Agreement or Hedge Agreements any termination payments due under any Hedge Agreement; and

SEVENTH, to Issuer, any remaining amounts free and clear of the lien of this Indenture.

Section 11.7. Limitation on Suits by Individual Noteholders. Subject to Section 11.8, no Noteholder shall have any right to institute any Proceeding with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder or thereunder, unless:

- (a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;
- (b) the Majority Facility Investors shall have made written requests to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (c) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; and
- (d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding,

it being understood and intended that no one or more Noteholders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb

or prejudice the rights of any other Noteholders or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided.

Section 11.8. Unconditional Rights of Noteholders to Receive Principal and Interest. Notwithstanding any other provision in this Indenture, the Holder of any Series 2008-A Note shall have the right, which right is absolute and unconditional, to receive payment of the principal and interest on such Series 2008-A Note on or after the respective due dates thereof expressed in such Series 2008-A Note or in this Indenture and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Noteholder.

Section 11.9. Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Issuer, the Trustee and the Noteholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

Section 11.10. Waiver of Event of Default. Prior to the Trustee's acquisition of a money judgment or decree for payment, in either case for the payment of all amounts owing by the Issuer in connection with this Indenture and the Series 2008-A Notes issued hereunder the Required Facility Investors have the right to waive any Event of Default (other than an Event of Default pursuant to Section 11.1(a)(1)) and its consequences.

Upon any such waiver, such Event of Default shall cease to exist, and be deemed to have been cured, for every purpose of this Indenture but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

Section 11.11. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, on the basis of any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 11.12. Sale of the Collateral.

(a) The power to effect any sale (a "Sale") of any portion of the Collateral pursuant to Section 11.5 shall not be exhausted by any one or more Sales as to any portion of such Collateral remaining unsold, but shall continue unimpaired until the entire Collateral shall have been sold or all amounts payable on the Series 2008-A Notes and this Indenture shall have been paid,

whichever occurs later. The Trustee may from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its right to any amount fixed by law as compensation for any Sale. The Trustee may reimburse itself from the proceeds of any sale for the reasonable costs and expenses incurred in connection with such sale. The net proceeds of such sale shall be applied as provided in this Indenture.

(b) The Trustee and/or the Collateral Agent (as directed by the Trustee), as applicable, shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Collateral in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey the Issuer's interest in any portion of the Collateral in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such Sale shall be bound to ascertain the Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any monies.

Section 11.13. Action on Series 2008-A Notes The Trustee's right to seek and recover judgment on the Series 2008-A Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. None of the rights or remedies of the Trustee or the Noteholders hereunder shall be impaired by the recovery of any judgment by the Trustee or any Noteholder against the Issuer or by the levy of any execution under such judgment upon any portion of the Collateral or upon any of the assets of the Issuer.

Section 11.14. Control by Noteholders. If an Event of Default has occurred and is continuing, the Majority Facility Investors shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee with respect to the Series 2008-A Notes or exercising any trust or power conferred on the Trustee; provided that

(i) such direction shall not be in conflict with any rule of law or with this Indenture;

(ii) any direction to the Trustee to sell or liquidate the Collateral which constitutes Loans and the related Pledged Assets shall be subject to the provisions of Sections 11.5; and

(iii) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction;

provided, however, that, subject to Section 13.1, the Trustee need not take any action that it determines might involve it in liability.

Section 11.15. Sale of Defaulted Loans After an Event of Default If an Event of Default has occurred and is continuing, the Servicer will not sell, assign, transfer or otherwise dispose of any Defaulted Loan or any interest therein, or any Collateral securing a Defaulted Loan, without the prior written consent of the Deal Agent.

ARTICLE XII  
SERVICER DEFAULTS

Section 12.1. Servicer Defaults. If any one of the following events (each, a “Servicer Default”) shall occur and be continuing:

(a) any failure by the Servicer to make any payment, transfer or deposit on or before the date such payment, transfer or deposit is required to be made or given under the terms of this Indenture and such failure remains unremedied for two Business Days; provided, however, that if the Servicer is unable to make a payment, transfer or deposit when due and such failure is as a result of circumstances beyond the Servicer’s control, the grace period shall be extended to five Business Days;

(b) failure on the part of the Servicer duly to observe or perform any other covenants or agreements of the Servicer set forth in this Indenture or any other Facility Document to which the Servicer is a party and such failure continues unremedied for a period of 20 days after the earlier of the date on which the Servicer has actual knowledge of the failure and the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer by the Trustee, or to the Servicer and the Trustee by any Noteholder or the Deal Agent;

(c) any representation and warranty made by the Servicer in this Indenture or any other Facility Document to which the Servicer is a party shall prove to have been incorrect in any material respect when made and has a material and adverse impact on the Trustee’s interest in the Pledged Loans or other Pledged Assets and the Servicer is not in compliance with such representation or warranty within ten Business Days after the earlier of the date on which the Servicer has actual knowledge of such breach and the date on which written notice of such breach requiring that such breach be remedied, shall have been given to the Servicer by the Trustee or to the Servicer and the Trustee by any Noteholder or the Deal Agent;

(d) an Insolvency Event shall occur with respect to the Servicer or the Parent Corporation;

(e) the Servicer fails to deliver reports to the Trustee in accordance with Section 8.2 of this Indenture and such failure remains unremedied for five Business Days;

(f) any Indebtedness (as defined in the Revolving Credit Agreement) of the Parent Corporation or any of its Material Subsidiaries (as defined in the Revolving Credit Agreement) exceeding \$50,000,000 in the aggregate, is accelerated after default beyond any applicable grace period provided with respect thereto;

(g) the 12-month rolling Reported EBITDA at the end of any fiscal quarter is less than \$400,000,000;

(h) the Servicer fails to deliver reports to the Deal Agent in accordance with Section 8.6 of this Indenture and such failure remains unremedied for five (5) Business Days;

- (i) the Consolidated Leverage Ratio for the most recent Rolling Period is greater than 3.75 to 1.0; or
- (j) the Consolidated Interest Coverage Ratio for the most recent Rolling Period is less than 3.0 to 1.0,

THEN, so long as such Servicer Default shall be continuing, either the Trustee, or the Majority Facility Investors of all Series 2008-A Notes by notice then given in writing to the Servicer and each Rating Agency (and to the Trustee if given by the Majority Facility Investors) (a "Termination Notice"), may terminate all of the rights and obligations of the Servicer as Servicer under this Indenture (such termination being herein called a "Service Transfer"). After receipt by the Servicer of such Termination Notice and subject to the terms of Section 12.2(a), the Trustee shall automatically assume the responsibilities of the Servicer hereunder until the date that a Successor Servicer shall have been appointed pursuant to Section 12.2 and all authority and power of the Servicer under this Indenture shall pass to and be vested in the Trustee or such Successor Servicer, as the case may be, without further action on the part of any Person, and, without limitation, the Trustee at the direction of the Majority Facility Investors is hereby authorized and empowered (upon the failure of the Servicer to cooperate) to execute and deliver, on behalf of the Servicer, as attorney-in-fact or otherwise, all documents and other instruments upon the failure of the Servicer to execute or deliver such documents or instruments, and to do and accomplish all other acts or things necessary or appropriate to effect the purposes of such transfer of servicing rights.

The Servicer agrees to cooperate with the Trustee and such Successor Servicer in effecting the termination of the responsibilities and rights of the Servicer to conduct servicing hereunder, including without limitation the transfer to such Successor Servicer of all authority of the Servicer to service the Pledged Loans provided for under this Indenture, including without limitation all authority over any Collections which shall on the date of transfer be held by the Servicer for deposit in the Control Account or which shall thereafter be received by the Servicer with respect to the Pledged Loans, and in assisting the Successor Servicer in enforcing all rights under this Indenture including, without limitation, allowing the Successor Servicer's personnel access to the Servicer's premises for the purpose of collecting payments on the Pledged Loans made at such premises. The Servicer shall promptly transfer its electronic records relating to the Pledged Loans to the Successor Servicer in such electronic form as the Successor Servicer may reasonably request and shall promptly transfer to the Successor Servicer all other records, correspondence and documents necessary for the continued servicing of the Pledged Loans in the manner and at such times as the Successor Servicer shall reasonably request. The Servicer shall allow the Successor Servicer access to the Servicer's officers and employees. To the extent that compliance with this Section 12.1 shall require the Servicer to disclose to the Successor Servicer information of any kind which the Servicer reasonably deems to be confidential, the Successor Servicer shall be required to enter into such customary licensing and confidentiality agreements as the Servicer shall deem necessary to protect its interest and as shall be satisfactory in form and substance to the Successor Servicer. The Servicer hereby consents to the entry against it of an order for preliminary, temporary or permanent injunctive relief by any court of competent jurisdiction, to ensure compliance by the Servicer with the provisions of this paragraph.

Section 12.2. Appointment of Successor.

(a) Appointment. On and after the receipt by the Servicer of a Termination Notice pursuant to Section 12.1, or any permitted resignation of the Servicer pursuant to Section 7.12, the Servicer shall continue to perform all servicing functions under this Indenture until the date specified in the Termination Notice or otherwise specified by the Trustee or until a date mutually agreed upon by the Servicer and the Trustee. Upon receipt by the Servicer of a Termination Notice, the Trustee, acting on behalf of the Majority Facility Investors, shall as promptly as possible after the giving of a Termination Notice appoint a successor servicer (in any case, the “Successor Servicer”) and such Successor Servicer shall accept its appointment by a written assumption in a form acceptable to the Trustee; provided that such appointment shall be subject to satisfaction of the Rating Agency Condition. In the event a Successor Servicer has not been appointed and accepted the appointment by the date of termination stated in the Termination Notice the Trustee shall automatically assume responsibility for performing the servicing functions under this Indenture on the date of such termination. In the event that a Successor Servicer has not been appointed and has not accepted its appointment and the Trustee is legally unable or otherwise not capable of assuming responsibility for performing the servicing functions under this Indenture, the Trustee shall petition a court of competent jurisdiction to appoint any established financial institution having a net worth of not less than \$100,000,000 and whose regular business includes the servicing of receivables similar to the Pledged Loans or other consumer finance receivables; provided, however, pending the appointment of a Successor Servicer, the Trustee will act as the Successor Servicer.

(b) Duties and Obligations of Successor Servicer. Upon its appointment, the Successor Servicer shall be the successor in all respects to the Servicer with respect to servicing functions under this Indenture and shall be subject to all the responsibilities and duties relating thereto placed on the Servicer by the terms and provisions hereof, and all references in this Indenture to the Servicer shall be deemed to refer to the Successor Servicer.

(c) Compensation of Successor Servicer; Costs and Expenses of Servicing Transfer. In connection with such appointment and assumption, the Trustee may make such arrangements for the compensation of the Successor Servicer as provided in this Indenture. The costs and expenses of transferring servicing shall be paid by the Servicer which is resigning or being replaced and to the extent such costs and expenses are not so paid, shall be paid from Collections as provided in this Indenture.

Section 12.3. Notification to Noteholders. Upon the occurrence of any Servicer Default or any event which, with the giving of notice or passage of time or both, would become a Servicer Default, the Servicer shall give prompt written notice thereof to the Trustee, the Deal Agent and the Issuer and the Trustee shall give notice to the Noteholders at their respective addresses appearing in the Note Register. Upon any termination or appointment of a Successor Servicer pursuant to this Article XII, the Trustee shall give prompt written notice thereof to the Issuer and to the Noteholders at their respective addresses appearing in the Note Register.

Section 12.4. Waiver of Past Defaults. The Majority Facility Investors of all Series 2008-A Notes may, on behalf of all Holders, waive any Servicer Default and its consequences. Upon any such waiver of a past default, such default shall cease to exist, and any default arising therefrom shall be deemed to have been remedied for every purpose of this Indenture. No such

waiver shall extend to any subsequent or other default or impair any right consequent thereon except to the extent expressly so waived.

Section 12.5. Termination of Servicer's Authority. All authority and power granted to the Servicer under this Indenture shall automatically cease and terminate upon termination of this Indenture pursuant to Section 14.1, and shall pass to and be vested in the Issuer and without limitation the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the Servicer, as attorney-in-fact or otherwise, all documents and other instruments, and to do and accomplish all other acts or things necessary or appropriate to effect the purposes of such transfer of servicing rights upon termination of this Indenture. The Servicer shall cooperate with the Issuer in effecting the termination of the responsibilities and rights of the Servicer to conduct servicing on the Pledged Loans. The Servicer shall transfer its electronic records relating to the Pledged Loans to the Issuer in such electronic form as Issuer may reasonably request and shall transfer all other records, correspondence and documents relating to the Pledged Loans to the Issuer in the manner and at such times as the Issuer shall reasonably request. To the extent that compliance with this Section 12.5 shall require the Servicer to disclose information of any kind which the Servicer deems to be confidential, the Issuer shall be required to enter into such customary licensing and confidentiality agreements as the Servicer shall deem necessary to protect its interests and as shall be reasonably satisfactory in form and substance to the Issuer.

Section 12.6. Matters Related to Successor Servicer.

The Successor Servicer will not be responsible for delays attributable to the Servicer's failure to deliver information, defects in the information supplied by the Servicer or other circumstances beyond the control of the Successor Servicer.

The Successor Servicer will make arrangements with the Servicer for the prompt and safe transfer of, and the Servicer shall provide to the Successor Servicer, all necessary servicing files and records, including (as deemed necessary by the Successor Servicer at such time): (i) microfiche loan documentation, (ii) servicing system tapes, (iii) Pledged Loan payment history, (iv) collections history and (v) the trial balances, as of the close of business on the day immediately preceding conversion to the Successor Servicer, reflecting all applicable Pledged Loan information. The current Servicer shall be obligated to pay the costs associated with the transfer of the servicing files and records to the Successor Servicer.

The Successor Servicer shall have no responsibility and shall not be in default hereunder nor incur any liability for any failure, error, malfunction or any delay in carrying out any of its duties under this Indenture if any such failure or delay results from the Successor Servicer acting in accordance with information prepared or supplied by a Person other than the Successor Servicer or the failure of any such Person to prepare or provide such information. The Successor Servicer shall have no responsibility, shall not be in default and shall incur no liability (i) for any act or failure to act by any third party, including the Servicer, the Issuer or the Trustee or for any inaccuracy or omission in a notice or communication received by the Successor Servicer from any third party or (ii) which is due to or results from the invalidity, unenforceability of any Pledged Loan under applicable law or the breach or the inaccuracy of any representation or warranty made with respect to any Pledged Loan.

If the Trustee or any other Successor Servicer assumes the role of Successor Servicer hereunder, such Successor Servicer shall be entitled to appoint subservicers whenever it shall be deemed necessary by such Successor Servicer.

Neither the Trustee nor any other successor Servicer hereunder shall have any obligation for any action or failure to act on the part of any predecessor Servicer.

ARTICLE XIII  
THE TRUSTEE; THE COLLATERAL AGENT; THE CUSTODIAN

Section 13.1. Duties of Trustee.

(a) The Trustee, prior to the occurrence of an Event of Default of which a Responsible Officer of the Trustee shall have actual knowledge and after the curing of all such Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If an Event of Default of which a Responsible Officer of the Trustee shall have actual knowledge has occurred and has not been cured or waived, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent institutional trustee would exercise or use under the circumstances in the conduct of such institution's own affairs. The Trustee is hereby authorized and empowered to make the withdrawals and payments from the Accounts in accordance with the instructions set forth in this Indenture until the termination of this Indenture in accordance with Section 14.1 unless this appointment is earlier terminated pursuant to the terms hereof.

(b) The Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee which are specifically required to be furnished pursuant to any provision of this Indenture, shall examine them to determine whether they conform to such requirements; provided, however, that the Trustee shall not be responsible for the accuracy or content of any resolution, certificate, statement, opinion, report, document, order or other instrument furnished by the Servicer, the Issuer or any other Person hereunder (other than the Trustee). The Trustee shall give prompt written notice to the Noteholders of any material lack of conformity of any such instrument to the applicable requirements of this Indenture discovered by the Trustee.

(c) Subject to Section 13.1(a), no provision of this Indenture shall be construed to relieve the Trustee from liability for its own gross negligence, reckless disregard of its duties, bad faith or misconduct; provided, however, that:

(i) the Trustee shall not be personally liable for an error of judgment made in good faith by a Responsible Officer or employees of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(ii) the Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with this Indenture or at the direction of the Majority Facility Investors relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising or omitting to exercise any trust or power conferred upon the Trustee, under this Indenture;

(iii) the Trustee shall not be charged with knowledge of any failure by any other party hereto to comply with its obligations hereunder or of the occurrence of any Event of Default or Servicer Default unless a Responsible Officer of the Trustee obtains actual knowledge of such failure based upon receipt of written information or other communication or a Responsible Officer of the Trustee receives written notice of such failure from the Servicer or any Noteholder. In the absence of receipt of notice or actual knowledge by a Responsible Officer the Trustee may conclusively assume there is no Event of Default or Servicer Default; and

(iv) Prior to the occurrence of an Event of Default of which a Responsible Officer of the Trustee shall have actual knowledge or have received notice and after all the curing of all such Events of Default which may have occurred, the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, no implied covenants or obligations shall be read into this Indenture against the Trustee and, in the absence of bad faith, willful misconduct or negligence on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture.

(d) The Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it (which adequate indemnity may include, at the Trustee's option, consent by the Majority Facility Investors authorizing the Trustee to be reimbursed for any funds from amounts available in the Collection Account), and none of the provisions contained in this Indenture shall in any event require the Trustee to perform, or be responsible for the manner of performance of, any of the obligations of the Servicer under this Indenture except during such time, if any, as the Trustee shall be the successor to, and be vested with the rights, duties, powers and privileges of, the Servicer in accordance with the terms of this Indenture.

(e) Except for actions expressly authorized by this Indenture, the Trustee shall take no action reasonably likely to impair the interests of the Issuer in any Pledged Loan now existing or hereafter created or to impair the value of any Pledged Loan now existing or hereafter created.

(f) Except as provided in this Indenture, the Trustee shall have no power to dispose of or vary any Collateral.

(g) In the event that the Registrar shall fail to perform any obligation, duty or agreement in the manner or on the day required to be performed by the Registrar, as the case may be, under this Indenture, the Trustee (if it is not then the Registrar) shall be obligated promptly to perform such obligation, duty or agreement in the manner so required.

(h) The Trustee shall have no duty to (A) see to any recording, filing or depositing of this Indenture or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, refiling or redepositing of any thereof, (B) see to any insurance, (C) see to the payment or discharge of any tax, assessment, or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of any Collateral other than from funds available in the related Collection Account, or (D) confirm or verify the contents of any reports or certificates of the Servicer delivered to the Trustee pursuant to this Indenture believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties.

(i) Promptly after the occurrence of an Event of Default, and, in any event, within two Business Days thereafter, the Trustee shall notify each Noteholder and each Rating Agency, if any, of the occurrence thereof to the extent a Responsible Officer of the Trustee has actual knowledge thereof based upon receipt of written information or other communication.

Section 13.2. Certain Matters Affecting the Trustee. Except for its own gross negligence, reckless disregard of its duties, bad faith or misconduct:

(a) the Trustee may rely on and shall be protected from liability to the Issuer and the Noteholders in acting on, or in refraining from acting in accord with, any resolution, Officer's Certificate, certificate of auditors or any other certificate, statement, conversation, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document believed by it to be genuine and to have been signed, sent or made by the proper Person or Persons;

(b) the Trustee may consult with counsel and any advice of counsel (including without limitation counsel to the Issuer or the Servicer) shall be full and complete authorization and protection from liability to the Issuer and the Noteholders in respect to any action taken or suffered or omitted by it hereunder in good faith and in accordance with such advice or opinion of counsel;

(c) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture, or to institute, conduct or defend any litigation hereunder or in relation hereto, at the request, order or direction of any of the Noteholders, pursuant to the provisions of this Indenture, unless such Noteholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred therein or thereby; nothing contained herein shall, however, relieve the Trustee of the obligations, upon the occurrence of any Servicer Default or Event of Default of which a Responsible Officer of the Trustee shall have actual knowledge or have received notice (which has not been cured), to exercise such of the rights and powers vested in it by this Indenture, and to use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs;

(d) neither the Trustee nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be personally liable for any action taken, suffered or omitted to be taken by the Trustee or such Person in good faith and believed by such Person to be

authorized or within the discretion or rights or powers conferred upon it by this Indenture, nor for any action taken or omitted to be taken by any other party hereto;

(e) the Trustee shall not be bound to make any investigation into the facts of matters stated in any Monthly Servicing Report, any other report or statement delivered to the Trustee by the Servicer, resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing so to do by the Majority Facility Investors; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require indemnity satisfactory to the Trustee against such cost, expense or liability as a condition to taking any such action.

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or a custodian, and the Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney or custodian appointed with due care by it hereunder;

(g) except as may be required by Section 13.1(b), the Trustee shall not be required to make any initial or periodic examination of any documents or records related to the Pledged Loans for the purpose of establishing the presence or absence of defects, the compliance by the Servicer or the Issuer with their respective representations and warranties or for any other purpose;

(h) the right of the Trustee to perform any discretionary act enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for the performance of such act; and

(i) the Trustee shall not be required to give any bond or surety in respect of the powers granted hereunder.

**Section 13.3. Trustee Not Liable for Recitals in Series 2008-A Notes or Use of Proceeds of Series 2008-A Notes** The Trustee assumes no responsibility for the correctness of the recitals contained herein and in the Series 2008-A Notes (other than the certificate of authentication on the Series 2008-A Notes) or for any statements, representations or warranties made herein by any Person other than the Trustee (except as expressly set forth herein). Except as set forth in Section 13.14, the Trustee makes no representations as to the validity, enforceability or sufficiency of this Indenture or of the Series 2008-A Notes (other than the certificate of authentication on the Series 2008-A Notes) or of any Pledged Loan or related document. The Trustee shall not be accountable for the use or application of funds properly withdrawn from any Account on the instructions of the Servicer or for the use or application by the Issuer of the proceeds of any of the Series 2008-A Notes, or for the use or application of any funds paid to the Issuer in respect of the Pledged Loans. The Trustee shall not be responsible for the legality or validity of this Indenture or the validity, priority, perfection or sufficiency of the security for the Series 2008-A Notes issued or intended to be issued hereunder. The Trustee shall have no responsibility for filing any financing or continuation statement in any public office at any time

or to otherwise perfect or maintain the perfection of any security interest or lien granted to it hereunder or to record this Indenture.

Section 13.4. Trustee May Own Series 2008-A Notes; Trustee in its Individual Capacity Wells Fargo Bank, National Association, in its individual or any other capacity, may become the owner or pledgee of Series 2008-A Notes with the same rights as it would have if it were not the Trustee. Wells Fargo Bank, National Association and its Affiliates may generally engage in any kind of business with the Issuer or the Servicer as though Wells Fargo Bank, National Association were not acting in such capacity hereunder and without any duty to account therefor. Nothing contained in this Indenture shall limit in any way the ability of Wells Fargo Bank, National Association and its Affiliates to act as a trustee or in a similar capacity for other interval ownership and lot contract and installment note financings pursuant to agreements similar to this Indenture.

Section 13.5. Trustee's Fees and Expenses; Indemnification. The Trustee shall be entitled to receive from time to time pursuant to this Indenture and the Trustee Fee Letter, (a) such compensation as shall be agreed to between the Issuer and the Trustee (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services rendered by it in the execution of the trust hereby created and in the exercise and performance of any of the powers and duties hereunder as the Trustee and to be reimbursed for its out-of-pocket expenses (including reasonable attorneys' fees), incurred or paid in establishing, administering and carrying out its duties under this Indenture or the Collateral Agency Agreement and (b) subject to Section 9.3, the Issuer and the Servicer agree, jointly and severally, to pay, reimburse, indemnify and hold harmless the Trustee (without reimbursement from any Account or otherwise) upon its request for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever (including without limitation fees, expenses and disbursements of counsel) which may at any time (including without limitation at any time following the termination of this Indenture and payment on account of the Series 2008-A Notes) be imposed on, incurred by or asserted against the Trustee in any way relating to or arising out of this Indenture, the Collateral Agency Agreement or any other Facility Document to which the Trustee is a party or the transactions contemplated hereby or any action taken or omitted by the Trustee under or in connection with any of the foregoing except for those liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting solely from the gross negligence, reckless disregard of its duties, bad faith or willful misconduct of the Trustee and except that if the Trustee is appointed Successor Servicer pursuant to Section 12.2, the provisions of this Section 13.5 shall not apply to expenses, disbursements and advances made or incurred by the Trustee in its capacity as Successor Servicer. The agreements in this Section 13.5 shall survive the termination of this Indenture, the resignation or removal of the Trustee and all amounts payable on account of the Series 2008-A Notes.

Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 13.6. Eligibility Requirements for Trustee. The Trustee hereunder (if other than Wells Fargo Bank, National Association) shall at all times be an Eligible Institution and a corporation or banking association organized and doing business under the laws of the United States of America or any state thereof authorized under such laws to exercise corporate trust powers, and such Trustee (including Wells Fargo Bank, National Association) shall have a combined capital and surplus of at least \$25,000,000 (or, in the case of a successor to the initial Trustee, \$100,000,000) and subject to supervision or examination by federal or state authority. If such corporation or banking association publishes reports of condition at least annually, pursuant to law or to the requirements of federal or state supervising or examining authority, then for the purpose of this Section 13.6, the combined capital and surplus of such corporation or banking association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 13.6, the Trustee shall resign immediately in the manner and with the effect specified in Section 13.7.

Section 13.7. Resignation or Removal of Trustee.

(a) The Trustee may at any time resign and be discharged from the trust hereby created by giving 60 days prior written notice thereof to the Issuer, the Servicer, the Noteholders and each Rating Agency. Upon receiving such notice of resignation, the Issuer shall promptly arrange to appoint a successor trustee meeting the requirements of Section 13.6 and the Servicer shall notify the Trustee and each Rating Agency of such appointment by written instrument, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor Trustee. If no successor Trustee shall have been so appointed and have accepted within 30 days after the giving of such notice of resignation, a successor Trustee shall be appointed by Majority Facility Investors. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the Trustee. If no successor Trustee shall have been so appointed by the Issuer or the Noteholders and shall have accepted appointment in the manner hereinafter provided, any Noteholder, on behalf of itself and all others similarly situated, or the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(b) If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 13.6 and shall fail to resign after written request therefor by the Issuer or the Servicer, or if at any time the Trustee shall be legally unable to act, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Issuer, the Servicer or the Majority Facility Investors may remove the Trustee and promptly appoint a successor Trustee by written instrument, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor Trustee.

(c) At any time the Majority Facility Investors may remove the Trustee and promptly appoint a successor Trustee by written instrument, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor Trustee.

(d) Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the provisions of this Section 13.7 shall not become effective until acceptance of appointment by the successor Trustee as provided in Section 13.8.

Section 13.8. Successor Trustee.

(a) Any successor Trustee, appointed as provided in Section 13.7, shall execute, acknowledge and deliver to the Issuer, the Servicer and to its predecessor Trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee herein. The predecessor Trustee shall deliver to the successor Trustee all money, documents and other property held by it hereunder; and Issuer and the predecessor Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Trustee all such rights, power, duties and obligations.

(b) No successor Trustee shall accept appointment as provided in this Section 13.8 unless at the time of such acceptance such successor Trustee shall be eligible under the provisions of Section 13.6.

(c) Upon acceptance of appointment by a successor Trustee as provided in this Section 13.8, such successor Trustee shall mail notice of such succession hereunder to the Trustee, the Issuer, the Servicer and all Noteholders at their addresses as shown in the Note Register.

Section 13.9. Merger or Consolidation of Trustee. Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided, such corporation shall be eligible under the provisions of Section 13.6, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 13.10. Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Collateral may at the time be located, the Trustee shall have the power and may execute and deliver all instruments to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Collateral and to vest in such Person or Persons, in such capacity and for the benefit of the Noteholders, such title to the Collateral, or any part thereof, and subject to the other provisions of this Section 13.10, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 13.6 and no notice to the Noteholders of the appointment of any co-trustee or separate trustee shall be required under Section 13.8.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any laws of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Collateral, or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article XIII. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee and a copy thereof given to the Servicer.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect to this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or a successor trustee.

Section 13.11. Trustee May Enforce Claims Without Possession of Series 2008-A Notes All rights of action and claims under this Indenture or the Series 2008-A Notes may be prosecuted and enforced by the Trustee without the possession of any of the Series 2008-A Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and

advances of the Trustee, its agents and counsel, be for the Noteholders in respect of which such judgment has been obtained.

Section 13.12. Suits for Enforcement. If an Event of Default or a Servicer Default shall occur and be continuing, the Trustee, in its discretion, may, subject to the provisions of Article XI and Section 12.1, proceed to protect and enforce its rights and the rights of the Noteholders under this Indenture by a suit, action or proceeding in equity or at law or otherwise, whether for the specific performance of any covenant or agreement contained in this Indenture or in aid of the execution of any power granted in this Indenture or for the enforcement of any other legal, equitable or other remedy as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce any of the rights of the Trustee or the Noteholders.

Section 13.13. Rights of Noteholders to Direct the Trustee. The Majority Facility Investors shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; provided, however, that, subject to Section 13.1, the Trustee shall have the right to decline to follow any such direction if the Trustee being advised by counsel determines that the action so directed may not lawfully be taken, or if the Trustee in good faith shall, by a Responsible Officer or Responsible Officers of the Trustee, determine that the proceedings so directed would be illegal or involve it in personal liability or be unduly prejudicial to the rights of Noteholders not parties to such direction, or if the Trustee has not been offered reasonable security or indemnity, as contemplated by Section 13.2, by such Holders; and provided further, that nothing in this Indenture shall impair the right of the Trustee to take any action deemed proper by the Trustee and which is not inconsistent with such direction by the Noteholders.

Section 13.14. Representations and Warranties of the Trustee. The Trustee represents and warrants that:

- (a) the Trustee is a national banking association with trust powers organized, validly existing and in good standing under the laws of the United States;
- (b) the Trustee has full power, authority and right to execute, deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture; and
- (c) this Indenture has been duly executed and delivered by the Trustee and constitutes the legal, valid and binding agreement of the Trustee enforceable against the Trustee in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and except as such enforceability may be limited by general principles of equity (whether considered in a suit at law or in equity).

Section 13.15. Maintenance of Office or Agency. The Trustee appointed will maintain at its expense in Minneapolis, Minnesota, or New York, New York, an office or offices or agency or agencies where notices and demands to or upon the Trustee in respect of the Series 2008-A Notes and this Indenture may be served, and each successor Trustee will give prompt written notice to the Issuer, the Servicer and the Noteholders of any change in the location of any such office or agency.

Section 13.16. No Assessment. Wells Fargo Bank, National Association's agreement to act as Trustee hereunder shall not constitute or be construed as Wells Fargo Bank, National Association's assessment of the Issuer's or any Obligor's creditworthiness or a credit analysis of any Loans.

Section 13.17. UCC Filings and Title Certificates. The Trustee and the Noteholders expressly recognize and agree that the Collateral Agent may be listed as the secured party of record on the various Financing Statements required to be filed under this Indenture in order to perfect the security interest in the Collateral and such listing will not affect in any way the respective status of the other secured parties under the Collateral Agency Agreement as the holders of their respective interests in other collateral. In addition, such listing shall impose no duties on the Collateral Agent other than those expressly and specifically undertaken in accordance with this Indenture and the Collateral Agency Agreement.

Section 13.18. Replacement of the Custodian. Each of the Issuer and the Servicer agree not to replace the Custodian unless the Rating Agency Condition has been satisfied with respect to such replacement.

#### ARTICLE XIV TERMINATION

Section 14.1. Termination of Agreement. The respective obligations and responsibilities of the Issuer, the Servicer and the Trustee created hereby (other than the obligation of the Trustee to make payments to Noteholders as hereafter set forth) shall terminate on the day after the Payment Date following the date on which funds shall have been deposited in the Collection Account sufficient to pay the Notes Principal Amount plus all interest accrued on the Series 2008-A Notes through the day preceding such Payment Date plus all other amounts payable pursuant to the Note Purchase Agreement; provided that, all amounts required to be paid on such Payment Date pursuant to this Indenture shall have been paid.

##### Section 14.2. Final Payment.

(a) Written notice of any termination shall be given (subject to at least two Business Days' prior notice from the Servicer to the Trustee) by the Trustee to the Noteholders and each Rating Agency then rating the Series 2008-A Notes mailed not later than the fifth day of the month of such final payment specifying (a) the Payment Date and (b) the amount of any such final payment. The Trustee shall give such notice to the Registrar at the time such notice is given to the Noteholders.

(b) On or after the final Payment Date, upon written request of the Trustee, the Noteholders shall surrender their Series 2008-A Notes to the office specified in such request.

Section 14.3. Release of Collateral. Upon the termination of this Indenture pursuant to Section 14.1, the Trustee shall release all liens and assign to the Issuer (without recourse, representation or warranty) all right, title and interest of the Trustee in and to the Collateral and all proceeds thereof. The Trustee shall execute and deliver such instruments of assignment, in

each case without recourse, representation or warranty, as shall be reasonably requested by the Issuer to release the security interest of the Trustee in the Collateral.

ARTICLE XV  
MISCELLANEOUS PROVISIONS

Section 15.1. Amendment.

(a) Amendments Without Consent of the Noteholders. The Issuer, the Trustee, the Collateral Agent and the Servicer, at any time and from time to time, without the consent of any of the Noteholders, may enter into one or more amendments to this Indenture in form satisfactory to the Trustee for any of the following purposes:

(i) to cure any ambiguity, correct, modify or supplement any provision which is defective or inconsistent with any other provision herein; provided that, such correction, modification or supplement shall not alter in any material respect, the amount or timing of payments to or other rights of the Noteholders; or

(ii) to modify transfer restrictions on the Series 2008-A Notes, so long as any such modifications comply with the Securities Act and the Investment Company Act; provided that, (x) in each case, the Issuer shall have satisfied the Rating Agency Condition with respect to such corrections, amendments, modifications or clarifications and (y), the Issuer shall have delivered to the Trustee an Officer's Certificate of the Issuer, an Officer's Certificate of the Servicer, and an Opinion of Counsel each to the effect that such change will not adversely affect the rights of any Noteholders and evidence that any additional conditions to such amendment have been satisfied.

Subject to Section 15.1(c), the Trustee is hereby authorized to join in the execution of any such amendment and to make any further appropriate agreements and stipulations that may be therein contained. So long as any of the Series 2008-A Notes are outstanding, at the cost of the Issuer, the Trustee shall provide to each Rating Agency then rating the Series 2008-A Notes a copy of any proposed amendment prior to the execution thereof by the Trustee and, as soon as practicable after the execution by the Issuer, the Trustee and the Collateral Agent of any such amendment, provide to each Rating Agency a copy of the executed amendment.

(b) Amendments With Consent of the Noteholders. With the consent of the Required Facility Investors and upon satisfaction of the Rating Agency Condition, the Issuer and the Trustee may enter into an amendment hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture, or modifying in any manner the rights of the Holders of the Series 2008-A Notes under this Indenture; provided that, no such amendment shall, without the consent of all affected Noteholders:

- (i) reduce in any manner the amount of, or change the timing of, principal, interest and other payments required to be made on any Note;
- (ii) change the application of proceeds of any Collateral to the payment of Series 2008-A Notes or modify the Priority of Payments;
- (iii) reduce the percentage of Noteholders required to take or approve any action under this Indenture; or
- (iv) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture, with respect to any part of the Collateral or terminate the lien of this Indenture on any property at any time subject thereto or deprive the Noteholders of the security afforded by the lien of this Indenture.

It shall not be necessary in connection with any consent of the Noteholders under this Section 15.1(b) for the Noteholders to approve the specific form of any proposed amendment, but it shall be sufficient if such consent shall approve the substance thereof. The Trustee will not be permitted to enter into any such amendment if, as a result of such amendment, the ratings of the Series 2008-A Notes (if then rated) would be reduced without the consent of each affected Noteholder.

Promptly after the execution by the Issuer, the Trustee, the Collateral Agent and the Servicer of any amendment pursuant to this Section 15.1(b), the Trustee, at the expense of the Issuer shall mail to the Noteholders and each Rating Agency rating the Series 2008-A Notes, a copy thereof.

(c) Execution of Amendments. In executing or accepting the additional trusts created by any amendment permitted by this Section 15.1 or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 13.1 and 13.2) shall be fully protected in relying in good faith upon, an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this Indenture and that all conditions precedent applicable thereto under this Indenture have been satisfied. The Trustee may, but shall not be obligated to, enter into any such amendment which affects the Trustee's own rights, duties or immunities under this Indenture, or otherwise.

(d) Effect of Amendments. Upon the execution of any amendment under this Section 15.1, this Indenture shall be modified in accordance therewith, and such amendment shall form a part of this Indenture for all purposes; and every Holder of a Series 2008-A Note theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

(e) Reference in Series 2008-A Notes to Amendments. Series 2008-A Notes executed, authenticated and delivered after the execution of any amendment pursuant to this Section 15.1 may, and if required by the Trustee shall, bear a notation in form approved by the Trustee as to any matter provided for in such amendment. If the Issuer shall so determine, new Series 2008-A Notes, so modified as to conform in the opinion of the Issuer to any such amendment, may be prepared and executed by the Issuer and authenticated and delivered by the Trustee or its authenticating agent in exchange for outstanding Series 2008-A Notes.

(f) Consent of Deal Agent. Notwithstanding any of the foregoing to the contrary, the Issuer shall not enter into any amendment to the Indenture the effect of which would be a material change in the rights or responsibilities of the Deal Agent hereunder without the consent of the Deal Agent.

(g) Consent of Funding Agents and Non-Conduit Committed Purchasers. The Issuer shall not enter into any amendment to the Indenture that would require the consent of each of the Funding Agents and each of the Non-Conduit Committed Purchasers under the Note Purchase Agreement unless such consents have been obtained.

Section 15.2. Limitation on Rights of the Noteholders.

(a) The death or incapacity of any Noteholder shall not operate to terminate this Indenture, nor shall such death or incapacity entitle such Noteholder's legal representatives or heirs to claim an accounting or to take any action or commence any proceeding in any court for a partition or winding up of the Collateral, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

(b) Nothing herein set forth, or contained in the terms of the Series 2008-A Notes, shall be construed so as to constitute the Noteholders from time to time as partners or members of an association; nor shall any Noteholder be under any liability to any third person by reason of any action taken by the parties to this Indenture pursuant to any provision hereof.

Section 15.3. Governing Law. This Indenture is governed by and shall be construed in accordance with the laws of the State of New York and the obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws.

Section 15.9. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Trustee or the Noteholders, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. No waiver of any provision hereof shall be effective unless made in writing. The rights, remedies, powers and privileges therein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by law.

Section 15.10. Counterparts. This Amended and Restated Indenture may be executed in two or more counterparts (and by different parties on separate counterparts), each of which shall be an original, but all of which together shall constitute one and the same instrument.

Section 15.11. Third-Party Beneficiaries. This Indenture will inure to the benefit of and be binding upon the parties hereto, the Noteholders and their respective successors and permitted

(a) Wherever in this Indenture a provision is made that an action may be taken or a notice, demand or instruction given by the Noteholders, such action, notice or instruction may be taken or given by any Noteholder, unless such provision requires a specific percentage of the Noteholders. If, at any time, the request, demand, authorization, direction, consent, waiver or other act of a specific percentage of the Noteholders is required pursuant to this Indenture, written notification of the substance thereof shall be furnished to all Noteholders.

(b) Any request, demand, authorization, direction, consent, waiver or other act by a Noteholder binds such Noteholder and every subsequent holder of such Series 2008-A Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done or omitted to be done by the Trustee, the Issuer or the Servicer in reliance thereon, whether or not notation of such action is made upon such Note.

Section 15.13. Merger and Integration.
